Human Exceptionality: School, Community, and Family Michael L. Hardman , Clifford J Drew , M Winston Egan

HUMAN EXCEPTIONALITY: SCHOOL, COMMUNITY, AND FAMILY, 12th Edition, is an evidence-based testament to the critical role of cross-professional collaboration in enhancing the lives of exceptional individuals and their families. This text's unique lifespan approach combines powerful research, evidence-based practices, and inspiring stories, engendering passion and empathy and enhancing the lives of individuals with exceptionalities. Designed to help readers experience individuals with disabilities and their families in a personal and intimate fashion, HUMAN EXCEPTIONALITY is an excellent resource--whether you're a teacher education candidate, a practicing teacher, or a human services professional.

Jamie says

I had to read this textbook for a class. Very informative, but it's a textbook so it's a little lack-luster... content wise, it has everything you need to know.

Mark Schlatter says

Good coverage, but the organization within chapters was lacking. Repetitive at times with too many sidebars. And, amazingly for a tenth edition, some typos.

E.A.G. E.A.G. says

Informative as you would expect, while occasionally the format would confuse when late at night reading. But good content all in all.
