Loving Angel 2 Carry Lowe

Harlem's it couple Angel and Tyga are back along with their friends and family and there is even more drama than ever.

Tyga and Angel are busy living their happily ever after, until an unforeseen tragedy strikes. Will they grow closer as a couple under the despair of their misfortunes, or will it forever break them apart?

Delco never planned on falling for Daisy. He just wanted her to fill the void in his life until his ride or die chick Maria got released from prison. But even with Maria's release and knowing that she served three years for him, Delco still can't seem to let Daisy go. When he's faced with the decision of choosing between the two women who will he pick to be by his side?

Keya is even grimmer than ever. She's all about making her money and is keeping a secret that is destroying lives. Will she stop her scandalous ways before someone pays her back for playing with them?

With a new enemy on the horizon ready to shake things up, who will come out on top and who will fall by the wayside?

Treasure Malian says

Good read. The storyline continued perfectly and didn't seem forced or as if it was being dragged along. Definitely looking forward to part 3.

Bennita says

Another action packed, drama filled run-in with Tyga and Angel, Delco and Daisy and crazy Keya. This was a definite page turner with situations that will make you squeamish and just flat out shake your head at the audacity of these characters. While I didn't enjoy this book as much as the first, I still thought the author did a really good job of keeping the reader interested in the story and addressing situations that aren't usually addressed in books.

Off the chain

Dang my girl Angel can't catch a break if it ain't one thing it's another. These men really has it bad for her..

I DIDN'T THINK I HAD THE ENERGY TO CONTINUE THIS SERIES AFTER THE 1ST BOOK BUT SINCE I'M A BOOK HEAD MY CURIOSITY GOT THE BEST OF ME AND I ENJOYED THE SECOND BOOK, I JUST DON'T UNDERSTAND SOME OF THE DECISIONS SOME OF THE CHARACTERS MAKE, LIVING THE LIFE THEY ARE LIVING THEY ARE WAY TO CARELESS FOR ME, ON TO BOOK THREE.

Shi'Asia says

I think all the characters need work. I think the men are too controlling and the women are too weak. Besides that, you're man is a king pin, yet you chilling like this is the suburbs. Angel did not make smart decisions. But as far as an plot goes the story was interesting. The ending leaves me wanting to continue so, obviously I have not had enough.

Donica James-edgerton says

I really feel for angel I really do.I am shocked about daisy and her man for real.Well that shit with these families is crazy.I can't believe this has happens twice already I thought they would tighten up.Cant wait to start book 3

Whitney says

Like the series

I love the series but this book was all over the place. Hopefully the 3 one isn't this messy! !

Loving Angel 2

Book 2 focuses on Angel & Tyga's family rivalry with the Jamaican, Kit, his right hand man Sour and cray-cray Unc Dread. Angels' dad is also an infamous drug lord living in Miami via Columbia. Let the games begin in this storyteller because I enjoyed each page written by Carry Lowe.

Tuesday Cabiness says

Good read

This is a good series people, I couldn't put the book down. Very different storyline and characters from the other urban authors. I like the words she use, she is very descriptive, you almost feel it's real. I like her and I just discovered her recently! Read her books and this series, it's real good!!!

Angel

Angel still be going through her things. I just don't understand how she keeps slipping the way she do. Keya I wonder what's going to happen to her when Dread catches her
