Murder, My Tweet: A Chet Gecko Mystery Bruce Hale

Right in the middle of a run-of-the-mill case, the powers that be finger Chet's fine-feathered partner, Natalie Attired, as a no-goodnik blackmailer and boot her out of Emerson Hicky quicker than you can say, "Boot her out of Emerson Hicky."

Chet, of course, tackles the case for free. Mess with his partner, mess with—well, *somebody*. (Natalie's the brains of the outfit.) But just when Chet thinks he might clear her name, Natalie disappears, leaving behind a reddish smear that looks kind of like cherry ladybug jam. . . . Is it murder, or something serious?

Murder, My Tweet: A Chet Gecko Mystery Details

Wysteria Champion says

I have loved these, and will continue to love these mysteries for years.

R.K. Goff says

A sweet little read. I think I'm going to introduce Chet to my boys when they get old enough.

Catherine Austen says

This was lots of fun to read aloud with kids in 1940s Hollywood voices. We had some trouble keeping track of all the characters from day to day, and we're not even really sure what the plot was, mystery-wise, but we didn't care because the metaphors are so funny and the mood is so well-done.

Jessica says

A great transitional book. Has a funny story line that keeps you interested and asking questions.

Ashley says

One of my favorite series as a kid.

Michele says

I've been reading this to my five year old as a bedtime story. Personally, I thought it was a little over the top and would only give it 2 stars, but she loved it so I gave it an extra. Heavy on the wordplay so great for vocabulary building :)

Shannon says

Cute story but my son had a hard time getting past all the private eye jargon that most kids today wouldn't understand.

Luca says

Well good thing natalie hadn't died, because if she did that woyld have been really bad for the gecko because he needed her to make him to homework.

Bahij says

This is a very good book in my eyes. One of the main characters in the story is Chet. Chet solves cases for everybody in need, he also does them for free. The main problem in the story is his partner Natalie disappears & he is trying to find her. It ends up she gets murdered and Chet is trying to find the killer. I like a lot of the stuff in this story. I love that he is very eager to help anyone in need

I like Chet because he seems like a very good person with a kind loving heart. I idolize Chet because he seems someone i would look up to because he treats people with love & respect. I didnt really like how the book was so short.
