**The Queen's Rune And Other Tales Of The Sidhe** Shannon Avery , Danae Bentley (Illustrator)

Welcome to the magical, mysterious, heroic, tragic, and hauntingly familiar world of the Sidhe. In The Queens Rune and Other Tales of the Sidhe, Shannon Avery takes readers on a mystical journey through the millennia-old culture of humanitys closest cousins. The original tale of the Garden of Eden unfolds in epic poetry; a lonely vampire sings of her pain; the Sidhe Merlyn defies his Queen and his beloved to win one last battle and become the first of the Forsaken Ones. Through it all winds the lyrical artwork of fantasy artist Danae Bentley.
