The Russian Renee Rose

MY PRISONER. MY OBSESSION. MY *SUNSHINE*.

I can't stay away from her.

I don't care if I get whacked by the mob. Or fired from the FBI.

There's no way I'm letting her get hurt.

Hell, if any of them touch her, I'll blow my cover in a second.

She's my *solnishko*.

Her brother's a scumbag. He owes the don money.

The don sends me to collect my pound of flesh, but I want more than a pound.

I want her.

This was a super crazy story. I didn't really understand the characters actions in this one. It's one thing to like a bad boy but who in there right mind has the hots for the person that is holding her captive and has threatened her life. Not really my kind of story.

Thanks NetGalley for the arc in exchange for my honest review.

Good story!

I love Renee Rose and her spanking stories. The only downside to this story is that it was too short, though there was a lot of action that happens in the book. There is also a short story at the end about a boss and his assistant with, of course, a little bit of spanking!

If you've never read a Renee Rose novella, you are in for a five-star treat! "The Russian" is incredibly well written, demonstrating Ms. Rose's unique talent for writing erotica. Fast paced as well as thoroughly engaging "The Russian is a dark, intense thrill ride of emotion with one hot hero and one adorably, quirky

Sissy's Romance Book Review says

The Russian by Renee Rose is the story of Yuri and Lucy.

Yuri now works for the FBI but has been working undercover for the past three years as Don Diego's enforcer. They have been trying to bring the mob down and catch the head guy. On this assignment Yuri sees Lucy a DJ and sister to one of the Night Club owners. Which that Night Club owner is in trouble with Don Diego's group so they want him or at the very least use his sister Lucy. Which of course Yuri will do anything to protect her...she is his!

This was a pretty quick, easy mobster type romance.

Yummy tatted up former Russian mafia turned good guy who likes to make his girl's arse nice and red. Plus a great epilogue

2 stars. Meh, this definitely could've worked but the writing wasn't very good so it didn't get to reach it's full potential.

The plot was pretty simple but it was interesting enough. I think the main thing besides the writing that held this back was the characters. They all fell so flat for me. They weren't interesting, they weren't well developed and I found that I didn't care what happened to them in the end. I can't even blame it on this being less than a 100 pages because it can be done. I've read short stories with really well fleshed out characters.

The 'twist' was uninspired and kind of didn't make sense. If there had been more time developing the characters and less on the sex this would've been fine but as it is, I didn't care for it.

OHMYGOD! YES!

Wow, what a story! I loved this book! This was a short but steamy mafia romance.

The Russian by Renee Rose is the story of Yuri and Lucy.

Yuri now works for the FBI but has been working undercover for the past three years as Don Diego's enforcer. He's been working undercover for soo long he is starting to feel like he really is the mafia enforcer that he is pretending to be. They have been trying to bring the mob down and catch the head guy. On this assignment he is ordered to kidnap Lucy, a DJ and sister to one of the Night Club owners, in order to get her brother to pay the money he owes.

Yuri knows he is more than an enforcer. He is a man in love with his captive. I wish this one was a bit longer so that there could have been more character development but it works as a steamy novella.

This is the first book I've read of author Renee Rose and it wont be the last! Can't wait to read more by her!

I enjoyed the read, but I didn't get why the heroine was so upset with the identity reveal. I also wasn't a fan of the whipping, the peeing/pooping bathroom escape scene (It's not as bad as how I'm writing this I just don't want to giveaway spoilers) and the too quick way they jumped into sex. . .while she's being kidnapped.

The beginning started off awesome for me. . and then it sort of went somewhere else that I didn't want to go.

That being said I'll check out more from this author.

Mrs. Europaea says

"He wanted to change her fear into desire, wanted her breath quick from passion, not terror."

There is no doubt that Renee Rose has a knack for romance and erotica. The Russian has some very heated scenes that will keep readers engaged. Yet I found that in between the sex the characters fell flat and the dialogue strained.

I find it hard to believe that Yuri would have been so transparent with his emotions toward Lucy so early on or that Lucy would have been such a willing captive. A little bit more fine tuning and this would have been a must read for the genre.

***Dee's Reading Time Matters says**

This story started off so exciting but sadly along the way, it just fizzled ...

I will however try more of her books!
