## **The Shadow Stealer** Melissa Giorgio

Ever since that fateful night Gabi saw her first demon, she's been questioning who and, better yet, what she is. When given a chance to find the answers she seeks, she seizes it, even if it means putting herself—and her beloved friends—in danger.

From upstate New York to the streets of Manhattan, Gabi chases after the truth that has, until this point, remained out of reach. But when her whole world shatters, Gabi wonders if it would have been better to remain ignorant. Because once you know the truth, there's no going back.

In the final installment of the Silver Moon Saga, the stakes are higher than they've ever been for Gabi and her friends, and no one's guaranteed a happy ending. Will Gabi triumph or will the shadows claim her for their own?

## From Reader Review *The Shadow Stealer* for online ebook

### Lil Evans says

Revelations, suspense and an amazing end. I loved everything in this finale book and I'm sad to leave our Silver Moon badasses ^\_^

---

### Molly says

29/&/&widneisnk sisbejsnajensnsjs !!!!!!!!!!!!!!!!!!!!!

I am sobbing how is this over!?!?!? I'm going to miss this crew SO MUCH!!!!!!

Holy crap this book took me by SO MUCH surprise!!!! It was nothing like I expected it to be and so good and I just can't even.

Goodbye Sassy Pants and Rafe. I will miss you SO MUCH!!!!!!!

I basically cried and laughed through this book. Omg. New fav.

---

### Amy McNulty says

I've been a beta reader for the Silver Moon Saga since the start, so I was able to read *The Shadow Stealer* in advance.

After spending so much time with these characters, you simply have to know how they recover from the events at the end of *The Soul Healer* and what other shocking events are in store for them. *The Shadow Stealer* doesn't disappoint. Gabi brings both the fun, slice-of-life scenes as well as the scenes full of danger to life with her trademark sassy commentary. She really goes through the wringer in this book, and we get to see her fight through her pain to be the strong young woman and supportive friend we know her to be.

There are a lot of jaw-dropping twists in this book, too. Just when you think you've got it all figured out, there's something even more unexpected. There's a new character in particular whose identity I won't divulge here, but suffice to say, I think the character is really brought to life as both likeable and flawed.

The secondary characters, as usual, really make this world shine. Rafe, Evan, Phil, Kain and now Alex are there to crack jokes, amusingly fight amongst themselves and kick some major demon butt. And of course, the Gabi x Rafe moments are adorable.

I'm sad to see this series end! But I'm looking forward to Giorgio sharing all her new worlds.

## **Sam says**

Cryiiiiiiiiing face.

---

## **Jessica says**

Wow..I didn't want it to end at all. she...just read the trilogy even the novella 1.5 and 2.5 they are really good too.

---

## **Kam Gardner says**

\*I know the author, so this review may be slightly biased XD

Aaaahhhhhhasdjkfsjkhg. Such an amazing ending to a great series!

But seriously. A lot of series I've read lately have gotten worse with each book, but this one got better. This book had everything in it; drama, action, humor, and feels. Lots and lots of feels.

I'm so sad that it's over :( Melissa, you did an amazing job, and I can't wait to read your next series!

---

## **Joy Whiteside says**

This was a very well written book that I enjoyed from beginning to end. The characters were amazing and you feel as though you know them personally. The book moved along at a good pace, never losing speed throughout. This book needs to be added to your TBR list.

## **Sonia says**

This series was amazing!! I loved every minute of it!!! ^\_^

---

## **Ellie says**

Holy Frack! I absolutely loved it! I didn't realize how much I missed all the characters until I read this.. and I definitely have to give Melissa Giorgio mad points for the twist she throws in. Skill right there! Lol. The plot was fabulous and as always, I enjoyed the humor that she tosses in. I'm sad to say goodbye to this series and it's awesome character's. This has definitely been a great series and will always be one of my favorites!
