BEANY (NOT BEANHEAD) introduces Bernice Lorraine Sherwin-Hendricks, aka Beany — a girl with twenty-three freckles, a bossy best friend, and a tendency to worry over just about everything!

With Susan Wojciechowski's sure-handed touch for capturing the real concerns of a regular kid, this enormously entertaining Beany book will have middle-grade readers laughing with recognition.

### **Bridget says**

Very cute. She's an amusing little worrier/people pleaser. I can relate to this little sweetie. The best part is I met the author's daughter recently, so I know the grown up whose childhood influenced the character.

I wish there were more of this series.
