God has placed within each of us a multitude of talents and gifts that make us irresistible. However, many of us are living lives void of the blessings and opportunities that exist inside of us.

Becoming Incredibly Irresistible: A Guide to Living the Abundant Life is a success guide that uses biblical principles and psychological strategies to empower you with the life-changing tools needed to live the abundant life God intends for everyone to have.

Whether it is attracting people, increasing your opportunities, or advancing your career, this book will allow you to embrace life with a new passion that is sure to bring positive results to every area of your life.

Addressing topics like fear, passion, preparation, and persistence, these enlightening chapters will leave you renewed and invigorated as you move forward in your walk with God. In the tradition of Rick Warren's *The Purpose Driven Life*, author Dr. Anitra Shelton-Quinn provides features at the end of each chapter designed to help you glean the utmost from its contents and help you achieve the abundant life you've always wanted.
