A Warlocks MacGregor Novel

Contemporary Scottish Paranormal Romance

Malina MacGregor is more than just a delicate flower in need of manly protection, but you wouldn't know it by the slew of male family members who show up anytime she tries to go on a date. Sure, she's made some poor choices in men in the past—like the demon she mistakenly hooked up with in Las Vegas years ago. But that was then, and this is now, and she more than made up for that mistake.

?Darragh “Dar” Lahey may be a luck demon, but his luck ran out the night he met the temptress—Malina. Now he's back, and he has an axe to grind. Malina needs to pay for what she did to him, and the supernatural attacks he's firing at her magickal family is just the beginning. There is only one hitch in his plans for revenge—even after all this time the stubborn woman can still make his heart ache, and his body burn with need.

This is Malina's story and it takes us places I would never have expected. So much fun! Demons and ghosts and trolls. Destruction and lost memories. I enjoy this world of the MacGregor warlocks very much.

Barbara Van Zandt says

Revenge

No all was wrong to Malina on her new husband. Didn't even give him a chance. So he was killed and thrown in hell. He's a luck demon. Neither told each other who they really were but they did fall in love. It took 50 yrs but he's back and giving them bad luck. He takes her and they finally talk and might start trusting one another, he help get rid of the ghost and what not that destroyed their house and a couple of demons.

Aah a man in a kilt

You start off killing a demon, all hell breaks loose.

If you like adventure of the magic kind, you have to read this?

Plus a few laughs along the way. And you'll fall in love with the McGregors, even with Raibeart ?

Daniela says

I love the light fluffy and funny series about love and Scottish warlocks and other wee beasties. Uncle Raibeard is the funnies.

Malina has a big secret and when her past comes back with a vengeance,, her family comes to the rescue... The MacGregors are back and just as funny as ever! Ghosts, magick, and demons abound in this rollicking tale!

An Everlasting Love

I was really excited for this book. The youngest and only daughter she is protected a bit too much by her brothers who torment her. I always knew there was more to her than met the eye but never would've guessed her time in Vegas brought about a tie she never would get rid of. The audio was awesome along with the book.

Now we get into Malina and Niles and s secret wedding 60 years prior. Sounds crazy I know but read this next installment of the MacGregor warlocks. They will keep you in stitches with their banter, so funny and what a crazy close knit family. Can't wait to read about hot werewolf Niles.

Lisa says

I LOVED this book! The only bad part was how sad I was when it was over. I listened to the audiobook. This is one of the best narrators. The whole thing was so magical. I loved all the characters and couldn't get enough of the sexy accents. Michelle Pillow has one of the best authors!

Linda says

Wonderful!

Never ever judge a demon by all demons! Malind's past comes calling. All hell breaks out at the MacGregor mansion when it is invaded by ghosts, goblins and so much more. Absolutely fell in love with Dar.

The Rat Pack????

If you just want to sit back and forget the world around you and have a really great belly laugh for a while, then this is the book to read. These Warlocks, Demons and ghosts had me ROFLMAO! I just could not put it down wanting to read what other shenanigans these guys would think up!

Malina McGregor the only female in the family was sent away from Scotland to England when she was just a babe to avoid being burned during the witch hunts. She is a wild child though and her brother Niall the hunter is always cleaning up after her. In the wild 60's she met and fell in love with a luck demon, but lo and behold Niall made an appearance and convinced her that Dar was evil and the outcome will forever change her life.

Dar is a Luck Demi-Demon one of the few not evil demons, in the 60's he really spread his luck around in Vegas, even hung out with the Rat Pack. He met and fell in love with Malina even married her and his honeymoon was a pit to hell. Now decades later he is back with a vengeance, but is he really?

The antics of the McGregor's, not to mention the ghosts will have you rolling and crying from laughing so much...I highly recommend this book for a roaring good time!

Sharon says

Fantastic and funny addition to the series

Stacy Parker says

Fun and sexy

What can I say the Warlock MacGregor's series is such a fun read. Hot romance and plenty of laughs what more could you ask for

Lois Alston says

Good story

Very wordy. Did not think much of the older brother Naill, his prejudice against demons. Glad that Far did not give up on love.
