How does it feel to be so exposed?

My master and lover James Maxwell hotly whispers into my ear, which makes my nerves dance in excitement.

I'm Mia Donovan, a twenty-two-year-old, small-town girl who has signed a contract with the billionaire James Maxwell in exchange for my brother's freedom and protection. Since I've become his mistress, my world has changed—both for better and worse. I'm now profoundly entwined in his complex, busy life and dark and dangerous world. I find I'm falling deeper in love with him the more time I spend with him. This love, however, is unrequited, and I am torn between a confession and keeping it a secret. Furthermore, my dark past is catching up on me, and I know it isn't long before my very life is in danger.

And so our story continues...

Received a Arc,

Really loved the book. The relationship between James and Mia is unrealistically good. The other characters Andy and his story was good. Cant wait for the next book.

Ok

First I thought there was only 4 books, so even though I was going to stop after 2, I thought "OK, I will read 2 more" only to find out the 4th is not the last. So know that this might go on for awhile and at 2.50 each. The book itself is so/so. Its got a lot of sex scenes but they are all the exact same. Really no variations at all. And its mostly just regular missionary with a little dirty words thrown in, so that was kinda boring. Also, I don't know what's wrong with the main character, she is a little slow or something. She acts like a five year old. If I had to hear "huh" one more time, I don't know what I would have done. Well I don't know. I read another book of this author that was OK, than realized that one might go on forever at 3.99 each, I think I am just gonna stop. And really they called the male character "the billionaire" like it was his name. Over and over "the billionaire" this and "the billionaire" that. It was really annoying. So/so.

Annoying

If you are looking for a complete set and don't want to wait for more books to come out bypass this one. Stupid me, thought four would be it, nope the fourth one leaves us with a cliffhanger and no book in sight. The writing in this series feel very young, innocent like Mia and at times very annoying. Other times it is fun. The sex still has very little foreplay, it keep thinking that will change as the relations hip grows but, I a!m beginning to wonder. All the men or dominate, their partners submissive, which is expected but, dominate men, in my experience do a whole lots more than talk dirty, tease nipples, and cup a woman. They also expect more than just spreading of the legs. Either way I am too deep in the series to give up now. It isn't terrible, it has good drama, the sex is good and the story is good.

Pritika says

[I love you. The words. They just slipped out so easily. Yes, I'd just told him I loved him. Oh God! What had I done? He was going to walk away now, wasn't he? (hide spoiler)]

Yesha says

Finally, Volume 4 is out! And Mia has finally confessed her love for James. Aria is back with loads of cuteness. And I hope to see her more in the next volume. James has unknowingly fallen in love with Mia. Hope he confesses to her before its too late as Mia's past is coming back.

Will James be able to protect Mia from her devil of an uncle?

I completed this volume in a day and eagerly waiting for the next volume and can't wait to see what happens next. Its completely worth reading. Go for it!

Swarnalatha says

Hai alexia . I love to read all your books

Mia and Jame has me at the edge. Why denie yourself James for the woman that loves you? Finally Mia confessed her love it feels like I can finally take a deep breathe I've being holding on since the very beginning. Mia and Aria are just so cute looking forward to more time of them spent together. Can't wait to see what happens next in book 5. Honestly a awesome sweet romance with innocent, exotic girl lead and caring, possessive and devishly handsome male lead. Read it, it'll be worth it.
