## **Dirty Pirate** Kyle Adams

This cute and quirky story requires suspension of all belief. It's a silly little story written based off these prompts:

**Story elements:** Haunted shower curtain, a pink stuffed parrot, a magic wand, bucket of chicken, a burnt Pop-Tart, and Batman.

**Main characters:** One loves chicken, it is all he talks about. Other character wears an eyepatch because he thinks he's a pirate.

This story started based on a discussion of Kim Alan's review of Dirty Cop

Crispy Salsa, Lol! It's no secret that I loved it, Kyle's stories always brighten up my day. The Ad for a roommate was gold, potential renters should run, for miles because the conditions outlined were hilarious and only a crack-pot would be tempted to apply.:)) Kevin, the nephew dishes out some beauties, obviously he's been hanging around his uncle far too long. Eric and Quin are lovely and sexy, I would kill for a little sequel to see how they get on. The Dirty Short Series is a fast favourite and Dirty Pirate was another fabulous addition. A fun lighthearted gem, happy grin. Thank you Kyle for another great freebie.

### Rach says

**Do you get the point I am making???** This **short free read** was just **AMAZING I LOVED it!** Even without the ending!

**WOW!! I will definitely read it over and over** if ever I feel fed up as that will lift my spirits without a doubt hahahahaha!

**So thank you Kyle Adams for making my day so happy I will certainly be smiling all day after that :)**

With **that** blurb, how could I resist? Oh and it's a Kyle Adams story..so I'm on this one right away. :)  
4.25\*

Kyle is spoiling me, he writes all these funny, entertaining, don't-read-in-public, snort-my-drink-out-my-nose, creative and free stories.

I'm going to be impossible to live with and **all the blame** goes to Kyle.

I'm not going to really review this short, because, really, it's one of those ' *you have to read it to believe it* 'kind of stories.

Quentin is like silly string in person form, you just don't know what's going to come out when you press down on the can. Eric, he's a pirate plundering sex angel ( I had to read the sex angel thing twice, cause really, angels with those flowing robes aren't sexy, but I guess angels in **nothing** but shorts, those are sexy). Read this story matey and I will leave you with this deeply profound quote :

**“So yeah, playing pirates was better because everyone’s a winner at pirates.”**

(view spoiler)

ETA : My birthday falls on 'Talk Like A Pirate Day' and I'm still trying to figure out what that says about me..

*Well temporarily, mateys! Hold onto ye britches, loves!*

**Arg!**

Anyone who knows me crazy pirate loving ass, knows I quake for pirates. Ya savvy?

Yawr har har! 'Tis a funny story, this short be! "Dirty Pirate", aye, I laughed a lot!

***"I also figured you were lying about being young and hot, but I can see you were serious."***

## What to expect ye questionin'?

There be the finest of fake parrots, "Crispy Salsa". There be "erect plank" usage, 'tis true, there be erect planks, mateys! *Cannons* being threatened to be shot into *portholes*!

Some gold doubloon worthy pirate flirting:

*“Arg matey, you have the best booty I’ve ever seen. Drives me crazy wanting to plunder it.”*

## Arg, I ken sexy pirate speak!

Me favoritest character (if ye consider them a character since they be inanimate objects)?

Eric's athletic shorts - firm package outline shall always win on me pirate ship!

Plus these two fake pirates are cute, there be a mini land lubber who spits funny quips and a hint of the happieth of ever afters, the smoothest sail in the sea of lust/love. ('tis interchangeable when discussing this tome)

Does this lady fake pirate recommend? *Aye!* Bring a sense of humor and a love of cocks being swallowed heartily! \*waves fake sword\* 'Tis a short voyage with laughter and lust. Arg!

'Til next time, mateys!

**annoying as fuck.**

what a grand thing it must be to live your life as an american, cozily ensconced in the judeo-christian morality construct while simultaneously doing exactly as you please like everyone else.

what poisonous hypocrisy.

how do you go from casually slut-shaming gay dudes—a particularly common sport in mm, where it would be reviled in mf, naturally—to then idly wondering if your new friend has big muscles and fantasizing about licking him from head to toe while you grind what you have inexplicably decided to call your "noodle" on his beefcake body?

how can a short story pack in so much hypocritical sexual politics in so little space?

and that's another thing.

story. there isn't any. the blurb isn't a teaser—it's a fucking summary.

first half: *why i am wholesome and not at all like those other, dirty, slutty gays*, disguised as an all-about-the-boy meet cute.

second half?

*why i am going to play power games while engaging in an extended cockparty wherein we take turns fellating one another while pretending this is not at all the sort of thing i normally do.*

yeah.

it's that obvious.

50/50: sex is shameful and i am not at all interested in it except to remark how hot you look today/please keep sucking my balls and comparing them to fresh fruit, because that's not odd at all.

you don't get to have it both ways.

you can't be wholesome and unsullied while still being perfectly willing to smut it up like a normal person.

nobody goes to the gym to "feel their best." they go to the gym to look hot so people want to *have monkeysex with them*.

the subtex here is vile, psychologically poisonous, and so completely false as to inspire in me a need to go fuck something in the eye.

pure, bloody-minded belligerence was the only reason i completed reading this excrement after i realized that i hated it.

i needed to finish it so i could *hate it all*.

### **Don Bradshaw says**

I loved this funny, sexy short story. Quinton is a wonderfully oblivious character who missed every come on dropped by his new, hot, sexy roommate Eric. The characters were well developed for a short story but the fun is all in the one liners and the crazy ad for a roommate. Quinton's nephew, Kevin was perfect for screwing with Quinton's brain. Great sex at the HEA end sealed the deal.

**Well, what can I say?? You've done it again Kyle. Loved it, but not as much as Dirty Cop or Dirty Boys.. 4 stars and Heave ho me hearties!!**

I loved Quinton and Eric, the ad in Craigslist was unbelievably funny, and Kyle, thank you **so** much for weaving lots of my fave comic book characters into the story...even if they only had a brief mention....like my 'kiwi fruit'!!

**JustJen "Miss Conduct" says**

Yet another Kyle classic and wonderful addition to the Dirty family. I wasn't real sure about this when it started. The ad kind of threw me but it quickly gets explained and the fun ensues. Seems these guys have the makings of something long-lasting. Maybe we will get to see them again. I loved the ending and the way it showed how things were going for these guys. This was just a fun, enjoyable quick and easy read. I look forward to each one that comes out.

**5 "Shiver Me Timbers" Stars!! ARRR...That was good!**

I am in awe yet again. Kyle Adams is one of a handful of authors that can write short stories...and he does it so well! You never feel like you're missing out. He manages to make me laugh, endear me to the characters, curl my toes, leave me with a sense of satisfaction and the feeling that this is the beginning of their forever. Amazing...and he offers most of his reads up for FREE, this one included!! Thanks Kyle for making me smile!

**Edward gets in on the act! Who knew?!**

**~☆~Dœni(ela) ♥ ?? love & semi-colons~☆~ says**

**Fun and quirky!**

A "mildly gay" pirate is looking for a roommate who smells nice and can deal with a haunted shower curtain.

There is no real character development, but this is a funny, lightly sexy read.

And it's free on Smashwords!

*"Sometimes, I almost think you're hitting on me," I said as I sat back down on the sofa next to him . . .*

*He turned to look at me with a serious expression. "Maybe that's because I am hitting on you."*

*"But that makes no sense because you're straight."*

*"I am?"*

### **4 1/2 Stars for a jolly witty shortie about a pirate and a new sexy roommate**

A **"pirate" with a free room, a dangerous shower curtain**, a nagging sister, a superhero nephew, an angry deaf cat and an roommate ad.

'Single white male pirate, young and extremely good looking, seeks roommate. I'm midly gay.....'

**A guy shows up, moving in** and the (hard) pirate is now drooling for a finely tuned body (usually in only short sweatpants) - tempting, alluring...

**Wow, a super cute story with a great beginning** with a wonderfully funny ad (read it if nothing else). Here I got the best kind of self- realization and naughty thoughts by the "hero" and I laughed a lot. This was just a perfect mini shorty a rainy Saturday morning. I wish it had been longer.

Highly recommended to anyone who needs something uplifting, quick read - really clever and fun.

**I LIKE - I saw the ad, I would also bite.**

~~~~~

*I found this gem through nice reviews from Vio and Trisha earlier today - Thanks!*

*A Kyle Adam's "Dirty" freebie novella in the Dirty Shorts series, maybe 20 pages, you can find it here for*

### **Macky says**

I absolutely love Kyles Dirty stories and In my opinion this is his best yet . Hilarious, uber sexy and I just want to go back and read it all over again, and yep... there were some stiff masts me hearties! Bloody brilliant. Quinton and Eric are hot, I love Cats and chicken, Crispy Salsa is far better than Pretty Polly and the kid Kevin is a blast too. Thanks Kyle you did your Dirty Pirate justice.... And its free again! Awesome.

The Craigslist ad was hilarious. Quinton and Eric were smoking hot together and the epilogue that featured the haunted shower curtain...epic. The random prompts here were very successfully made into a fun, sexy read. Can't go wrong with a freebie! Pick this one up.
