Even Super Heroes Sleep David Katz

After busy days flying around the world, chasing villains, and keeping people safe, DC's beloved super heroes need to go to sleep. Super heroes in training will definitely relate to this charming bedtime book.

Like the other bestselling DC Super Heroes board books (*ABC 123*, *Colors and Shapes*, *Opposites*, *Busy Bodies*, *My First Book of Super Villains*, and *My First Book of Girl Power*), *Even Super Heroes Sleep* uses DC's classic art to illustrate fan favorite characters getting ready to re-charge. Batman knows his brain works best after he's gotten a good night's sleep (Goodnight Gotham City!). Green Lantern needs his Power Battery, and Superman's super-strength fizzles out at the end of the day. Budding super heroes will appreciate that they, too need a good night's sleep if they're going to grow big and strong...

Cute book. Features both male and female superheroes. A good tool to help make bedtime more manageable.

Chinook says

I love these superhero board books and the girls do too.

Anne says

I know a couple of kids at the library who are going to love this one! It's probably the perfect way to bribe your little super-hero lover to go to sleep. :)

Samantha says

Say goodnight to superheroes so they can rest their powers and protect us. Nice balance between male/female superheroes.

Toddlers/PreK.

Erik says

Fun early learning book with some classic 1970's style DC art.

Mrs. Cubby Culbertson says

Another GraysonGrand read together!! Love it! ---the read together & the super heroes--first Batman, his favorite, then Wonder Woman, my favorite!

Raine Feiertag says

I enjoyed reading this to my son. It was cute, with good art (my favorite DC heroes are Hawkman/Hawkgirl!)

Jennie Lower says

A good reminder that it's important to get your rest so you can continue saving the day!

SUPERcute

Kimberly says

This was a wonderful idea for a bedtime story. My son loved this book. He loved to learn that even super heroes sleep.

Meredith says

Batman, Wonder Woman, Plastic Man, the Flash, Hawkgirl, Hawkman, Supergirl, the Green Lantern, Superman, and Aquaman all go to sleep after a busy day of saving the world. But, alas, there is no Green Arrow.

Also, oddly, on the final two page spread bidding goodnight to superheroes both big and small, Robin/Nightwing is featured along with two other lesser known superheroes who also weren't previously named in the book and whom I couldn't identify. My preschooler pointed this out and wanted to know who the other two were.

Shar says

Super cute kids' book that even adults can appreciate. :)

Spinster says

Sometimes I'm tempted to put a read count on these board books but I worry I'd break Goodreads. This one has been in the rotation for over two years now. It's inoffensive minus the occasional clunky line ("Good night, The Flash!").
