**Hidden Darkness** W.J. May

Hidden Darkness is the 7th Book of W.J. May's bestselling series, The Chronicles of Kerrigan.

**A race against time, a sprint across the world.**

The enemy has a new face now, Jonathon Cromfield. Except he's not really new, is he?

Cromfield has a plan, one that includes Rae whether she likes it or not.

Rae is terrified by the idea that she can't die. Everyone she'll ever know will move on without her and leave her all alone. Except Cromfield. She'd rather die than be with him.

The team of Rae, Devon, Julian and Molly must race around the world to find the hybrids before Cromfield does, they have to figure out what his serum really is for, and take it back to the Privy Council all before Cromfield can stop them.

Immortal or not, Rae doesn't have a second to waste.

## **Jenn Sut says**

Another entertaining installment in the Kerrigan series. If you have been reading all along, you will not be disappointed. this is a great series. After the bombshell of a secret that Rae discovered last time, it is amazing that she can function. however in true Kerrigan spirit, Rae marches on . she acts before she thinks things through. that is Rae. Can't wait to read the next one.

## **Mrs Jean Smith says**

### **Riveting**

As usual I enjoyed this book I in the series about these talented teens I can't wait to begin the next book

---

## **Laurie Hopkins says**

### **Loving this series**

Can I just say OMG, what just happened?  
Cromfield is one disturbed person, and I don't blame Rae for being creeped out. But you gotta love her friends.

---

## **Rachel says**

### **Lots of twist**

This time the gang went searching for trouble and in the long run they ended up in some sticky situation. Rae did have one major change of events in her life that she always wanted. As you read this series is gets better and better when you think you know where the story is going to lead bam it does a 180 and you get a big surprise that you didn't expect. Make sure to check out this Paranormal Fantasy Romance for sure.

### **Just want to stay reading**

Only want to know what happens can't seem to put the books down just going straight to the next one

---

## **Stevirae Porter says**

### **Good but really short**

I really like this series but I feel like as the books go on the shorter and shorter they become. Which is really disappointing.

---

## **Ashley says**

### **Easy and Enjoyable**

Very easy to follow and understand. Good story line. Several typos that were bothersome, but overall a good series. Recommended

### **Amazing story**

Noooooooooo!!!!!! You can't leave it there I now have to wait nearly a month for the rest. I started reading this series just over a week ago and I haven't been able to put it down. This series has had me so on the edge of my seat throughout. I'm obsessed.

### **Another bombshell book!**

These books just keep getting better and better. You can see a morph in the authors style and complexity. As

the story unfolds with nonstop action, heart, sensitivity and love are interwoven throughout.

---

### **Jenny Gomez says**

The story picks up right where the last one stopped. Never a dull moment in Rae's life. Once again, my only issue with the book is the poor editing. It's really jarring when you're absorbed in the story line and all of a sudden there's a glaring error.

### **Lizbeth Bueno says**

I never thought this book will be this amazing, Rae is Immortal!

Since the 6th book ended on such an exciting note, I had to read the next book! I could not believe the adventure that this book took! It was completely unexpected and I really liked the storyline. It was different from the rest of the books, which definitely sets it apart. It was good refreshing storyline since the 4th book.

Just to touch on the cons for a moment; I've seen that it's been quite an issue that the book is short in chapters. I can't disagree with that and I've been thinking about it throughout the entire book because even though there were only 13 chapters, the chapters were a tad longer and a little more in depth the previous three books. That was definitely a plus, but it was short. However, with that said, I think that May did an excellent job of the ending the book at a very good spot. I feel like the past three books ended sort of in the middle of storyline changes, which is exactly where the next book would pick up. But I feel like the next book has a lot of possibilities to start off with. I'm looking forward to finding out where that is.

With all of that being said, there's quite a bit of typos, which throws the reading off a bit. However, I cannot dislike this book. There were so many plot twists and character developments and comedy that made the book really enjoyable. As I stated earlier, I really enjoyed the plot of this specific book and the ending left a good amount of wonder and possibilities for the next book and books to come. I highly recommend this series if you don't mind a few changes in the actual books themselves, but the storyline and action are definitely worth the read.
