Society-Page Seduction Maureen Child

Millionaire Simon Pearce's bride-to-be left him standing at the altar and wedding planner Megan Ashton was dumbfounded when she was asked to fill in. Literally. Be Simon's bride. For a year. For business reasons only. Her shock soon gave way to reason: what better way to escape her father's domination than by marrying a stranger!

By day Simon escorted Megan for the benefit of nosy society watchers, but by night she was his willing bedmate. Their lovemaking was wild and reckless, and the always-in-control Simon was soon spiraling out of his binding boxers. But when family scandals shattered their lusty illusions, Simon had to choose: marriage for a year, or marriage forever.

Livia says

Book three of an ongoing Silhouette Desire mini-series of Dynasties, The Ashtons that continues to explain the sins of the head of the Ashton family, Spencer Ashton. He continues to fall further in the mire with this tale of his daughter Megan and millionaire Simon Pearce. Their story is a marriage of convenience to protect Simon from gossip mongers when his intended bride leaves him at the altar and wedding planner Megan takes her place. Very fast paced and filled with additional family scandal, SOCIETY-PAGE SEDUCTION is romantic and sexy and only feeds the fire to devour more books in this series, as well as to watch the patriarch drown in his own dirt!

Pearce and Megan are definitely good for each other. I like the caring for each other during this family Scandal

Picked this book up thinking the rest of the books in the series in which Condition of Marriage by Emilie Rose is part of, would be a good read. But it was less than average, barely liked it.
