Someone knocks Bill Collins into a snowdrift and steals his suitcase when he goes to spend the night with Poetry. When the boys track the footprints in the snow, they make an amazing discovery. And a penmanship test helps to solve another mystery (the mystery of who's been sending the mean notes received by Bill and Mr. Black). Find out with the gang how important it is to love and befriend those who hurt us.

The *Sugar Creek Gang* series chronicles the faith-building adventures of a group of fun-loving, courageous Christian boys. These classic stories have been inspiring children to grow in their faith for more than five decades. More than three million copies later, children continue to grow up relating to members of the gang as they struggle with the application of their Christian faith to the adventure of life.

Now that these stories have been updated for a new generation, you and your child can join in the Sugar Creek excitement.
