Ultimate Cowboy Rita Herron

Rancher Brody Bloodworth has spent years blaming himself for his brother's disappearance. If he hadn't snuck off to be with Julie Whitehead, everything would have been different - and he wouldn't have pushed her away. Now Julie is back, as an FBI agent with a solid lead on his brother. Although the past makes Brody reluctant to fall for Julie again, he admires her for being unable to keep her hands off the case. Before long he finds himself unable to keep his hands off her.

As he prepares for a showdown with the ruthless kidnappers, Brody knows what's at stake if he wins. And just how much he'll lose if he doesn't....

Unabridged Audiobook

Amazing

Good Read,but what else would you expect from Rita Herron.A thriller that won't quit,one suspenseful moment after another,with no holds barred.

Cindy ~ SnS Reviews says

For twenty years a mad man has been abducting children. He has just taken his tenth victim.

Seven years ago Brody Bloodworth and Julie Whitehead were in love. They were so hot for each other that they snuck off at the rodeo they were attending and left Brody's little brother in the stands. When they returned he was gone. Brody blamed Julie and pushed her away.

Today Julie is a FBI agent. Even though she lost Brody all those years ago she's made it her mission to do everything in her power to find his brother. With the latest kidnapping and a rash of robberies they piece together that one of the boys doing the robberies may be the missing brother.

Brody after his brothers disappearance built a ranch for troubled boys. It was his way of trying to save as many as he could since he was unable to save his brother.

As the story unfolds and we learn what really happened to each of the boys its heartbreaking. Brody and Julie have to come to terms with there past along with helping find and get the boys back to there families.

Miniseries: Bucking Bronc Lodge

Category: Suspense

Suzy says

great book in a great series

Debbie Heaton says

In Herron's romantic suspense novel, rancher Brody Bloodworth has spent the last seven years blaming himself for the kidnapping of his younger brother while he and Julie Whitehead had been off for some intimacy. After the kidnapping, he pushed her away, blaming her for what had happened. Now Julie is back and as a seasoned FBI agent she is hot on the trail of a lead on his brother. With some reluctance, they team together to follow the bread crumbs in hopes of bringing to justice a serial kidnapper responsible for the disappearance of at least ten boys.

A fast-paced, hard to put down installment to the Bucking Bronc Lodge.

Kelly says

Reasonable good! Just needed something to read and it was what was at Mama's house. But the concept of child abduction and romance doesn't seem to mesh, does it?

Lynda says

Guilt over his missing younger brother led Brody Bloodworth to establish the Bucking Bronc Lodge for troubled boys. Vowing to never give up searching for his brother Will, Brody kept in contact with the Texas Bureau of Investigation always hopeful Will would be found. Special Agent Julie Whitehead, a past lover of Brody's kept Will Bloodworth's information updated in the computer; she felt the same guilt Brody endured these past seven years. Two reported missing boys videotaped committing a robbery sent Brody and Julie on a hunt discovering there was a more sinister element behind the missing boys endangering the lives of many.

"The Ultimate Cowboy" was unique in its storyline, a fear held by many parents at one time or another. By establishing the manipulative abilities of the perpetrators commanded over their victims - the characters, their actions and the story as a whole were believable. The writing was sensitive, portraying a wide range of emotions and the difficulty in adjusting afterwards for the victims and their families. This story focused on positive thinking, never giving up hope, the strength of love and the extreme value of support.

Peni says

Excellent suspense story. The characterization was top notch. The complexity of the entire case kept me waiting for what would happen next. It all was strange enough to be plausible.

Susan says

Very good book. Brody has spent years dealing with the guilt of his brother Will's disappearance. He started the Bucking Bronc Lodge as a way to help other boys in a way he hasn't been able to do for Will. He has also never given up the hope of finding him. When he gets a call from Julie telling him that they finally have a promising lead he can't wait to jump in. He has also felt guilty for the way he treated her after the kidnapping, but doesn't want to take the risk of falling for her again. Julie has also spent the last years dealing with her own guilty feelings. She gave up her dreams of working with animals and went into law enforcement working mostly on cases involving women and children. She has never given up hope of finding Will and is happy to have this promising lead. As she and Brody work together to find the man who has kidnapped many boys over the years they learn to accept the events of the past and to try to let go of the guilt. I loved Brody and his never give up attitude. I also loved the patience and caring he showed to all the boys on the ranch. I also liked seeing the people from the previous books and how they all came together to help Brody when he needed it.

Gretchen Fatouros says

Ok. More trying to find bad guy than romance, which was good.

MadLoveBookBlog says

This story was mild. Not the angst and heart aching macho cowboy stories I am always looking for to read.

However, the story is about a lost boy, kidnapped and abused; hence, his family has been also lost in despair and blame, until of course the story unfolds in a happy ending.

Good but not my kind of story.
