Beyond the Shroud Rick Hautala , Doug Gregory (Illustrator)
It doesn't end with death. David Robinson's life has taken several turns for the worse: his daughter is dead, his marriage is over and his career has fallen apart. But after he dies in a hit-and-run accident, David learns that he faces his most harrowing challenges as a wraith. David must fight the deadliest battle of his life -- in death.

Seth says

This book was decent, but it sort of depends on why you read it. As a stand alone horror novel, it's just kind of "meh", but as a supplement for a table-top role playing game, it's actually quite good. It does an excellent job of incorporating the game ideas into the story, but you'd have to know all of this to get the most of out of the novel. I'd recommend this book to fans of role-playing games, and to a lesser extent horror buffs. Honestly though, this one has limited appeal. (I enjoyed it, FWIW)

Hex says

The story concept was a good one, but would have been better served as a novella or extended short story. Too much repetitive nothingness, whining, and pointless rambling by the characters. It was hard to feel anything for the characters other than an overwhelming desire for them to "get on with it already".

Martin says

Enjoyed it. Atmospheric and narratively strong. Reviewed at:
