## **From Reader Review My Weird School: #1-21 [Box Set] for online ebook**

**Shelli says**

Dan Gutman understands young reader's humor and has created a fantastic book formula to draw in even the most reluctant of readers. The *My Weird School* series is perfect for students to practice their reading skills with its repetitive yet hysterical narrative and story lines. But don't mention that part to your kiddos, they might run away in fear they could learn something. A must have collection for any grade school library or classroom!
