**Snake** Savannah Rylan

She's the one I tried to forget.

But I can't get her out of my head.

I'm no prisoner. And I'm no coward.

I won't stay locked away at the club house hiding from those @ssholes, The Devil Saints.

So I go to a bar, away from my brothers. I need a break from all the chaos.

Until drama walks right through the door.

Laiken. The one who got away. Or I pushed away, I can barely remember.

She's looking fine in that police uniform.

I wonder if she'd let me use those cuffs on her.

But we can't be together.

A patched member and a cop?

No.

Laiken and me?

I'm not supposed to want her.

But you know what they say.

The heart wants what it can't have.

And my heart is achin' for trouble.

**Snake (The Road Rebels MC) is a full length STANDALONE bad boy MC HEIST romance. It also contains a few bonus books for you to enjoy! The next in the series, Fox (The Road Rebels MC) will be available on February 21, 2018!**

## **From Reader Review Snake for online ebook**

### **Xan West says**

Decided not to read this book because of the fat hatred in the text, which is described in this thread.

---

### **Christine says**

arc review For honest review. This has four story's 1. snake is have from the road rebels and sergeant laiken is back home and investigating clubs around town but when she see lost love jace their fate is set. 2 cade is a black Angel mc and there guns for hire harper is the mayor's daughter cade meets at a bike rally now he there to protect her .Awesome 3. Marco had a prosthetic leg from the military and joining the bad disciples .Quinn is the daughter of the president these to have chemistry and love at first sight . Awesome 4. Tank is with the bad disciples mc protecting women from kidnappings and rapes from other mc clubs when he is shot and taken to a hospital he meets his Angel Noelle a nurse .Awesome

#### **I'm snake bitten!**

Snake and Lankin have a complicated story with a heavy past and what appear to be unsurpassable odds against them. An outlaw and an officer how can it ever be? They have such chemistry together yet a tenderness that betrays his roughness and her hardness. I wasn't sure I was going to fall for Jace and his alter Snake but with the characterization and depth he was given I was bitten. Savannah truly is the queen of MC's. She's also the master of suspenseful climaxes ~ take that how you will as it fits multiple ways. I stop the puns to say this is a must read. I'd think it would hold up as a stand alone but that's hard to judge since I've read the prior book. I'm holding my breath for the next installment. Can't wait to see what happens as our next outlaw falls head over riding boots and the club takes out their enemies once and for all. Read, read, read now. I definitely recommend.

I requested and received an arc copy of this book. This is my voluntary, true, and honest opinion. \*I've also downloaded via KU because I would've read anyway.

### **Jalea Kalke says**

#### **Snake and his first love, the Cop.**

I received an ARC for this book!

Laiken fell for Jace (Snake) when she was in college. When they had a falling out she moved away to attend Police Academy and to work. When she returns home to care for her mother a chance encounter in a bar brings Jace back into her life. Problem is she now works for the local police and the Rebels are one their radar.

---

## **Judy says**

This is the third book in Savannah's amazing MC series. I enjoyed each of these stories and must say Snake is my favorite! Laitken and Jace, also known as Snake were a couple when they were younger and were in love. Each come from a family with issues but don't let it interfere. One day Jase is forced to push Laitken away and lost his heart in the process. Laitken runs away and does everything she always wanted, to become a police officer. Years later Laitken returns to her hometown to care for her sick mom and ends up seeing Jase again. Wow do the sparks start all over and their love and passion for one another is right there in front of them. Once Jase's past comes out let's say Laitken is not happy. Will Jase be able to trust Laitken now that she's a police officer? What will Laitken do once she hears the truth about their past? Can being on opposite sides keep them apart? I voluntarily reviewed an Advanced Review Copy of this book.

## **Erth says**

A wild ride into the life of Snake in the Road Rebels MC. It is about time he finally got to blow off the steam that he has built up. Laiken is the perfect complement to Snake, and their chemistry is off the charts.

---

## **BP34 says**

This is book three in the Road Rebels Motorcycle Club series. This was a good second chance romance. Laiken and Snake had a thing years ago but parted ways. When he runs into her in a bar he still feels the attraction and knows that he must have her. Things have changed and she's now a police officer and he's in a gang. A good romance with no shortage of drama or suspense. A standalone that was fun to read, but no spoiler here. A good read and I read an advance reader copy and voluntarily chose to write a review.

---

## **Laila Viking says**

Amazing story that is so captivating you just have to read in one session.

Very well written story with great storyline and plot. I like that the characters are relatable, likeable and how they develop. I like the pace of the story. About giving love a second chance in spite of you have closed your heart and build a wall around it. A really passionate story where the characters have to overcome a lot before they can have their HEA.

The epilogue is very welcomed and gives the story more to it and it finishes it better than without it. It is written in dual POV which gives the reader much more of the thoughts and feelings of the main characters. There are passion, drama, emotions, hot scenes and lots of chemistry in this amazing story.

I received a copy of this book and am voluntarily leaving a review.

## **Ddkmc95 says**

Snake has only loved one woman...and he tossed her out of his house some years back...literally tossed her out. The trouble with the Devils Saints has ramped up and the Road Rebels are on lockdown...but Snake needs a break and goes to a bar without his brothers. Laiken has returned home to care for her ailing mother...and she is a new hire of the police department! She goes to a bar to hang out and spots the one guy who's always had her heart...and broken it...Snake! Will Snake and Laiken be able to forgive and make up? Especially since the DEA agent seems to have it in for the Road Rebels??? Lots of drama and, even though we have an HEA with these two, there's still that pesky trouble with the Devils Saints. Hopefully, all will end well for the Road Rebels in Fox's book.

---

## **Pelusa Rivera says**

Received an ARC at no cost to author..This can be read as a standalone, but hopefully you decide to read them all, it is just a benefit to really feel the characters..This book, is entertaining, we have action and feeling..Awesome..Don't miss. If you know me you know I do not like giving information when I feel you should read..so read.. Enjoy!

---

## **Sara Oxton says**

Snake by Savannah Rylan a five-star read you won't want to slither away from. This is the third book in the Road Rebels MC series but they can be read as standalone reads, they are hot and heavy and filled with passion. This is a great example of Savannah Rylan's writing, Laiken and Snake shouldn't be as good together as they are, but they just make it so well. A great story overall well done on a great story in the series again.

---

## **Kelly Vidito says**

I received an ARC for an honest review. Snake is book three in the Road Rebels series and can totally be read as a standalone. I loved Laiken and Snakes story. It's a great second chance romance. It's a well written story full of drama and suspense that will not disappoint. I can't wait to read more.

## **&#x1f48b;Meme Chanell Book Corner&#x1f48b; says**

The one that got away now she is back and a police officer Snake has always regretted the breakup with the love of his life but he was in a biker club unknown to her and she wanted to be a police officer to protect her he let her go and all of those feelings that never left are coming back full force. This was a fast read so it does feel like some things are missing but it is part of a series so I'm sure the next book will pick up from where this one left off other than that I enjoyed this read.

---

**pamela d bryant says**

**Great!**

I chose this rating because this was a pretty good book. The characters were very interesting. Those Road Rebels were some smart bikers. Snake had a big problem with his sister and Talon being together. He really needs to get over that. I was so happy when he finally met someone even if it was someone from his past. Laiken was a police officer now. The way they met back up was not very good. But it worked for them. Anyway all well and it ended well. This was a great read. I recommend this book to all romance readers.

---

**Linda Lagrue says**

No words I have can do justice to this book. "Snake" is an incredible, steamy, second-chance romance. Laiken and Jace were young and in love but with differing goals, they had a horrible breakup. Years later, they meet again. Laiken is now a police officer and Jace now called, Snake is a member of the Road Rebels MC. Snake and Laiken's physical connection is still off the charts hot. It's a bad idea to resume a love affair putting Laiken's job and life in jeopardy. The story flows nicely with drama, suspense, intrigue, action, passion and romance. "Snake" is another MUST READ by Savannah Rylan. I voluntarily reviewed an Advance Reader Copy of this book.
