Stripped Away

Sydney Somers

Stripped Away Sydney Somers

Quinn excels at slaying demons. But betrayal is the one demon she never saw coming. Nothing gives Quinn a rush like hunting and vanquishing the very demons that changed her life. But lately something is off. Nightmares she can't explain, irrational fears surfacing at the most unexpected moments. And when her twin sister vanishes, Quinn's world starts to come apart at the seams. Since becoming an agent for the Shadow Destroyers, Braxton has excelled at playing by the rules. Until he let his common sense desert him for one night in Quinn's arms. A night she doesn't remember. For weeks he's kept their relationship strictly professional, but seeing Quinn so edgy and lost puts his telepathic abilities and his restraint to the test. As the search for her sister intensifies Braxton seems to be the one true thing she can hold onto. Until she discovers he's been keeping a very big secret of his own. One that may destroy her trust just when she needs him the most.

Braxton Murphy Was Second In Command ,Next To Rae At Their Local Branch Office, He Had Noticed Quinn From The First Time that They Met And Wished Time And Again That He Was Not Her Superior, That He Could Just Break His Rules Of No Fraternization And Just date Her, Bed Her, And Hopefully Get Her Out Of His System Without Too Much Drama. No Other Woman Got Him So Hard just By Looking At Her And Her Blue Streaked Hair, And He Wished That He Could Just Bend The Rules Just Once And Not Go By The Book.

Quinn Asked Braxton Over And Over To Go For Coffee With Her But It Was Always The Same With The Boy Scout Who Never Broke A Smile Her Way And It Was Only After She Got Infected By A Lust Demon And She Was Quarantined With Him That She Finally Got Her Way With Him , But She Did Not A Day Later After It Was Safe To Come Out. Braxton Avoided Her Like The Plague And She Was Determined To Get Him.

Sydney Somers Continues Her Story With Gage's Friend Braxton Murphy A Techno Geek, Brax Had A Thing For Quinn For Six Years Every Since Her Parent's Died And The Office Took Her In , Trained Her, And Now She Was The Best Demon Catcher They Had. Brax Was a By The Book Guy But Just Looking At Her Lust Filled Brown Eye's Had Him Bending All Of His Very Safe And Very Secure Rules! Stripped Away Is Filled With White Hot Sex And Non Stop Action That Has Quinn Fighting For Her And Braxton's Lives From The Very Demon That Destroyed Her Parents', And has Come Back For Her And Her Sister To Finish The Job That He Started Six Years Ago!

I presume you know what the book is about. I'm letting you know what I liked or disliked about it.

Braxton and Quinn - Book 1 (Unbreakable) introduced these two characters and book 2 (Stripped Away) told their story. I like the way Ms. Somers weaves her characters; describes them, builds their strengths, and weaknesses.

I like the team (cast of characters) and while I don't know yet what the 3rd book is about I really really really want to know more about Rea.

Ms. Somers provides the right amount of heat, and a good length book to the story. There was too much repetition at times - perhaps 3 threads of the story repeated too often - something I see on occasion in books

written as a series. I didn't see it in the first book and I hope it isn't there in the 3rd. Likely it won't be as I suspect this occurs really as a product of where a storyline is at and/or where an author is at when it comes to telling that part of the story.

I recommend this series. Enjoy!

Urban fantasy or paranormal? Doesn't matter. Reminds me of Buffy the Vampire Slayer and I enjoyed it.

Netanella says

3 1/2 rounded up to 4, of course.

Hot paranormal romance that takes up the story of Quinn and Braxton from the first book.
