Judy Moody Gets Famous! Megan McDonald , Peter H. Reynolds (Illustrator)

Everyone knows that Judy Moody has a mood for every occasion, and this time she's in a jealous mood. Jealous of classmate Jessica Finch, that is, who gets her picture on the front page of the newspaper, just for winning a spelling bee. But when Judy Moody sets off in pursuit of her own fame and happiness, watch out! She is so determined, she just might find it - or will she merely become more infamous than ever?

Karla Malaca says

The book is about a girl named Judy Moody and she is the tallest in her family. She is trying to get famous by many ways. For example she got her cat to make toast for her face can be in the news paper. I think this book would be for a person that has fun at lot of ways. I like this book because it has all my favorite thing like being childish.

I like this book because this girl Jessica Finch wins a spelling contest and gets her face on a news paper. When Judy starts to get extremely jealous, so she enters a pet contest if you win you get to be on a news paper, at the end they ended up taking a picture of her elbow and she still is happy about that and says look at my famous elbow.

Rare! We really like the Judy Moody series and although we've skipped around a bit, we are now working our way through the rest of the books in order. We like Judy's spunk, and I think our girls can empathize with her feelings. She is a very creative and spontaneous character and we love her interaction with her family, teachers and friends. We loved the ending - perhaps it will inspire children to do the same.

It's been a while since I've read a Judy Moody book. My last experience wasn't so great but this one? It left

me teary-eyed at the end. What a great lesson that Judy learned her self about the right kind of famous. Being kind to others.

Kayla Fallis says

In this book by Megan McDonald, Judy Moody tries everything that she can to become famous. Her classmate, Jessica Finch, won a spelling bee and Judy saw that this got her fame so she wanted the same. She tried to make up a lie about an ancient cherry, she tried to have a famous pet that did tricks and she tried to break a world record but these all ended wrong and Judy was still not famous. One day she accidentally stepped on her friends finger and broke it. They took him to the hospital and while she was there she met a little girl who had undergone a heart transplant. While in the playroom with this girl, Judy saw all the toys and dolls that the hospital had and they were all broken. She ends up stealing the dolls from the hospital and taking them home to repair. She sends them back to the hospital anonymously for the children to have to play with. An article is written in the paper about the "Phantom Doll Doctor" and Judy and her family know who did this but the hospital never does. She becomes famous without her name being posted all over everything.

I thought this was a great story for young readers. It has a great message for children about being famous and doing things that will benefit others and not only for your own personal fame. I would recommend this book for second-third graders. This is a great book for transitioning from easy readers to more challenging books. I would recommend this book more for girls than boys. I think that this was a fun book that would keep students engaged and eager to read, especially since it is a series. This was also a good book because it introduced many vocabulary words. It talked about a spelling bee, so the words were spelled out in the book and this would be good for students to learn new words and their correct spelling while reading.

I loved this one. What a nice story!

The book was about Judy wanting to be famous. They were trying to form a human scorpion by tying their shoes together and walking around like a human scorpion. That was my favorite part.

Wah g suka banget ma yang edisi ini.

Sejak berkenalan dengan Judy Moody, g tau kalau anak ini spesial justru karena kelakuan khas anak-anaknya. G berkata begini karena akhir-akhir ini g liat anak-anak cenderung bertingkah tidak selayaknya seumuran mereka. Kasian banget, keknya bertingkah normal itu jadi sesuatu yang mahal banget *curcoool* hahah!

Back to Judy Moody...selain lucu, buku ini juga banyak menyampaikan pesan moral positif. Misalnya seperti : tidak semua yang u harapkan bisa terwujud, tapi minimal kita berusaha mencapainya. Terus kek...Tidak kenal putus asa, ada nilai yang lebih penting untuk diperjuang dari pada sekedar popularitas misalnya. Yah semacam itulah.

Terus coba liat covernya...kereeeeen

Thx to penghuni radal dah!

Everyone in Judy Moody's life seems to have been famous at one point. Not only did Jessica win a local spelling bee, her brother and her parents all seem to have claims to fame. Not wanting to be outdone, Judy starts a campaign to become famous herself. But it is only when she does something in secret that she finally becomes famous. Children will relate to Judy's quickly changing moods and the simple black and white illustrations add to this novel. Part of a series of books about Judy Moody.

Shari says

Judy realizes that everyone around is "famous," so she launches a campaign to get into the newspapers.

Erin Ramai says

Judy has more depth and dimension in this second installment. She still harbors some of the same feelings about her brother Stink, but their relationship is more amicable. And although envy and jealousy motivate much of Judy's quest for fame, readers can't help but feel for her when she can't find a single event in her life to earn a place in the Moody Hall of Fame. Throughout the text she learns the difference between becoming famous, infamous and just plain criminal. Judy might be known for being moody, but by the end of this text, she's also known for having a tremendous amount of heart.

Britt Guild says

I really like the Judy Moody character. She might get into trouble, but it's often times just by accident. Judy

is a creative outgoing young girl who has many more positive attributes than Junie B. Jones. As a mother, I would prefer my daughter reading about a young girl who acts altruistically like Judy instead of reading about a bratty girl like Junie B. Jones. I thought the ending was touching. The story is about how Judy want to be famous like her classmate who won a spelling bee. She tries hard to participate in events that she knows will get her photo in the newspaper. The one thing that does get her in the newspaper is her kindness of taking all the dolls from the hospital to fix them for the kids who are staying in the hospital. Even though she is not mentioned in the newspaper by name because no one knows it was Judy who fixed all the dolls, Judy feels great about what she did for the young patients.

This is a realistic fiction book as the book is not about a real person, but the story could actually happen to a young girl. Girls are often competitive and strive to be the best at something, but this book allows Judy to be great at being kind without being recognized. I like this theme of doing something kind without expecting recognition or praise. This book can be used to discuss this idea of just being kind to others and how that makes one feel. What can kindness provide for others? How do you feel when you are treated kindly? What is our responsibility as people in how we interact with others? This is a great account of how to tell and write a story with a moral.

This book would definitely be in my classroom library for my 1st through 3rd grade students.

Banyak cara yang bisa dilakukan sebagai usaha untuk terkenal. Kalau Anda merasa punya bakat di bidang tarik suara atau tari-tarian, segeralah ikut ajang pencarian bakat. Merasa tidak punya bakat di kedua bidang itu? Berjoget-jogetlah sambil komat-kamit mengikuti lirik sebuah lagu - jangan lupa untuk menyalakan alat perekam - dan segeralah unggah ke *youtube*. Siapa tahu nasib Anda akan sama dengan duet keong racun. Atau, suara Anda sangat bagus tapi tidak ingin ikut ajang idol-idolan? Rekam saja diri Anda saat bernyanyi, dan (lagi) segera unggah ke *youtube*. Mungkin, Anda akan menjadi *the next* Justin Beiber, atau Greyson Change.

Tapi ingat, tidak ada jaminan Anda akan terkenal. Namanya juga hanya usaha untuk terkenal, tergantung juga dengan amal ibadah Anda. Meski sebenarnya, menjadi terkenal itu sangat mudah di Indonesia yang sepertinya sangat suka dengan yang serba instan. Namun, seperti uang panas, *easy come easy go*, keterkenalan itu juga bisa pudar dengan cepat.

Nah, seperti remaja pada umumnya, Judy Moody juga ingin terkenal. Dia ingin dirinya diliput, entah di radio, surat kabar, atau televisi. Semua bermula karena si Queen Bee, Jessica Finch, sang juara mengeja dalam bahasa Inggris se-Virginia Utara. Kemenangan Jessica diliput oleh surat kabar setempat. Dan dia pun terkenal. Ternyata, ayah Judy juga pernah menang kuis di radio. Terkenal. Sewaktu SMA, ibunya bergabung dengan paduan suara Glee yang juga pernah diliput. Terkenal. Bahkan Stink, adiknya, pernah diliput surat kabar dan televisi karena lahir di kursi belakang jip. Dia merasa semua orang di sekitarnya bisa terkenal. Sementara dia, sama sekali belum pernah. Tidak ada hal yang bisa membuat dia terkenal.

Tekad sudah bulat, dia pun mencoba banyak hal untuk menuju pintu keterkenalan. Mencoba hal-hal yang bodoh pun dia lakukan, yang penting tenar. "Mengubah" biji cherry yang baru dia makan menjadi biji cherry peninggalan George Washington 250 tahun yang silam. Tapi, gagal. Membawa Mouse, kucingnya,

mengikuti kontes binatang peliharaan. Hampir berhasil. Lho? Memang, dia meraih juara dua dan berhak menerima pita biru, voucher belanja, dan fotonya akan dipajang di koran Virginia Utara. Tapi kecelakaan kecil terjadi saat sesi foto para pemenang, sehingga hanya siku tangan Judy yang masuk koran. Tidak menyerah, Judy mencoba hal lain. Dia berniat memecahkan rekor sebagai manusia kaki seribu. Tapi kembali sebuah kecelakaan terjadi, ukuran jari kelingking Frank Pearl berubah menjadi dua kali lebih besar dari ukuran normal, dan terkulai ke arah yang salah alias patah. Gagal lagi.

Akhirnya, dia sukses menjadi terkenal bukan karena melakukan hal-hal yang konyol, tapi setelah diam-diam melakukan perbuatan yang baik. Memang, dia terkenal secara misterius. Perbuatannya diberitakan di koran, tapi namanya tidak dicantumkan. Yah . . . seperti Spiderman a.k.a Peter Parker atau Clark Kent a.k.a Superman yang tidak hanya ingin melakukan perbuatan baik tanpa ada keinginan untuk terkenal atau mendapat pujian. Bagi Judy, terkenal secara misterius sudah lebih dari sekedar terkenal. Memang, dia melakukan apa?

Sama seperti "Judy Moody – Lagi Mood, Bukan Mood Bagus, Mood Jelek" yang sudah saya baca sebelumnya, buku ini juga dilengkapi dengan ilustrasi. Covernya masih tetap keren, ceritanya masih bagus dan lucu. Kalau di "Judy Moody – Lagi Mood, Bukan Mood Bagus, Mood Jelek", ceritanya lebih memperlihatkan sisi kreatif Judy, sementara buku ini memperlihatkan kejujuran dan kebaikan hati Judy. Sempat berbohong tapi kemudian badannya merasa "gatal-gatal" sehingga menceritakan yang sebenarnya pada Mr. Todd.

Sempat mendewakan keterkenalan, tapi kemudian memprioritaskan perbuatan baik. Sementara, menjadi terkenal hanyalah sebagai bonus dari perbuatan baik itu.
