Pink Champagne Susanna Carr

BOOK DESCRIPTION: When Sabrina Graham puts on a pair of pink diamond earrings that promises her a fantasy life, it gives her the courage to crash black-tie events and live out her Cinderella dreams. Instead of finding a prince, she captures the attention of Ian West. He's dangerous and mysterious. But is Ian interested in her or her diamonds?

PINK CHAMPAGNE was previously published in the PINK ICE novella collection.

- PINK CHAMPAGNE is a novella with an HEA, no cheating and no cliffhanger.
- This is a sexy contemporary romance and it contains sexual content.
- PINK CHAMPAGNE is part of the PINK ICE novella collection. It can be read as a stand-alone story, but if you enjoy your stories in order, follow the series order below.

PINK ICE NOVELLA COLLECTION

- 1. Pink Champagne
- 2. Touch of Pink
- 3. Pink Positive
- 4. In the Pink

Praise for the PINK ICE collection:

"The guys are hot, and the sexual tension is unbelievable!" – New York Times bestselling author Sabrina Jeffries

"The story of a pair of pink diamond earrings and a tribute to the effect of self-confidence on women, this book has characters in four separate storylines that intermingle continuously as common themes of family, desire and deception weave throughout the book." 4.5 stars and a TOP PICK! – Romantic Times

Reviewers' Choice Best Book Awards Nominee for Best Erotic Fiction in 2006
