*Let's get a bun in her oven.*

I'm a cop with a sweet tooth and Dolly's the treat I'm craving.  
She's finally ended things with her deadbeat boyfriend and I'm not missing the chance to make her mine.  
Dolly's the owner of my favorite donut shop and the woman with the best Bavarian cream in the city.  
Damn, I love her jelly filling, her chocolate frosting, her perfect donut hole.  
She may know how to make a mean old fashioned, but I know how to whip up baby batter that will get her maple glazed.

It's a new year, and I'm ready to do more than get a bun in her oven.  
I'll be her baby daddy and her dream come true.

#### **A wonderful resolution**

A quick read but SO worth it.

I loved the play on words for so many things relating to baking. It was cheesy but fit so well with the storyline.

As with all of Frankie's books, they are well written which allows for a smooth enjoyable read.

My review is unbiased and my own after reading this book through KU.

Resolution: Baby Batter by Frankie Love

I really enjoyed reading this story, quick but still a lovely story. Dolly owns a bakery that the cop Dune loves getting his donuts from and it isn't because of the sweets. Dune knows Dolly's in a relationship but waking up he was thinking he will finally tell her how he feels. Dolly woke up feeling great but having a conversation with her boyfriend leaves her single and feeling unwanted. In a quick sec, Dune gets the courage and pours his heart out to her and these two moves on happily. I really enjoyed the quick story, I'm happy they found love in each other. Sweet story

Resolution baby batter is a short story that is a part of the resolution pact novella series. This story is short, fast paced and a nice read. I read this book within half an hour and was satisfied throughout.

I did see some chemistry between Dolly and Dune. I liked them as a couple. As this story is so short, I was left wanting more of Dolly and Dune as a couple. I liked that even though Dolly had a boyfriend, Dune was determined to make confess his feelings for her. When Dolly becomes single, Dune knows its time to make his move. He wants a relationship with Dolly. As soon as Dune saw/met Dolly, it was love at first sight.

When he learnt that Dolly wanted a baby, it was the icing on the cake for Dune. The epilogue/year later part of the story was super cute.

The storyline for this book is easy to follow and it is a nice read. I cannot wait to read more books from the resolution series and from Frankie Love.

### **Hunky cop in love with the Donut Lady**

Dolly owns the Donut shop. Dune recently moved to town & is a local police officer with a mad crush on Dolly. It's New Years Day & he's decided he's going to tell her how he feels about her but there's one obstacle - Dolly has a jerk of a boyfriend. Oddly enough, Dolly tells Dune that her boyfriend broke up with her because of her New Years resolution to ask for what she wants - marriage & a family. After Dune shares his news & an attempted robbery that he stops, Dune & Dolly can start the New Year off together. Insta-love, insta-lust, super sweet & sexy read. Their cheeky comments & bakery puns had me smiling.

A Resolution Pact Short Story - These are a collaboration of authors bringing us short, sweet, sexy stories to give us Oooh's and Ahh's that make our hearts & panties melt in celebration of the New Year. I'm in love with these short story collaborations & am excited each time a new set is released.

**Sugar and spice and all things nice...**

Dune and Dolly are over the top cute. This is a sweet, quick read that will give you cavities just reading it. Dune knows what he wants and is going after it. Dolly fresh off a break up with a man that didn't appreciate her, decides that it's time for her wants to matter. Perfect novella to start your new year right.

I voluntarily reviewed an advanced reader copy of this book.
