Scarface Claw Lynley Dodd

Scarface Claw is a hilarious rhyming story by Lynley Dodd.

Big, bullying tom cat, Scarface Claw, Hairy Maclary's arch-enemy, is at the centre of this story. But like most bullies, Scarface turns out to be not quite as tough as he and the other animals think when he is scared by his own reflection.

Lynley Dodd is an award-winning author/illustrator who lives in New Zealand. She is enormously popular for her rhyming stories of the unforgettable HAIRY MACLARY and his friends. She worked as a teacher before beginning to write her own books in 1974.

Love this series of cat books.

Emkoshka says

The toughest cat on the block isn't afraid of anything ... except perhaps himself! Love the illustration of Scarface sitting alone in the dark.

Christina says

Loved it! Love Lynley Dodd's books. Great children's stories.

Sarah Sammis says

Scarface is your typical bad boy tom. He's big; he's mean and he's territorial. He will growl and hiss at any cat and any dog (including the dogs from Hairy Maclarry from Donaldson's Dairy). Scarface isn't scared of anyone... except... himself!

Scarface has more of Dodd's humor and adorable illustrations. Scarface while scary to the dogs and cats of the story is rather cute in all his posturing. He's probably a big old lap cat when he's down prowling at the end of the day.

Kelly says

We love these books in our house and read at least one of them a day.

Laura says

We love these books in our house, and Scarface Claw is no exception. The rhythm of the rich language keeps the boys engaged, and the pictures are delightful. The boys love that Scarface isn't scared of anything, except his own reflection.

Samantha says

I have to read this once a day....

Nicola says

Miss 2 loves it. Bonus for me that Scarface is not scared of the dark or of spiders!

Gloria Jackson says

Brilliant book about the Toughest Tom in Town. :)

Katherine says

The star, for us, of Hairy Maclary from Donaldson's Dairy was undoubtedly Scarface Claw, the toughest tom in town, so we were delighted to discover that he has his own book. It quickly became a favourite as it documents the mighty moggy's fearlessness. We love cats and dogs in equal measure in our house but we reserve special respect for old Scarface who just "washes his whiskers/and goes back to sleep" when faced with the gang of lolloping and leaping dogs. Will nothing faze him? Get a copy and find out, it's priceless and will be enjoyed again and again as it quickly becomes a favourite in your house too!

Karen Dransfield says

Scarface Claw is the meanest toughest cat all around. It tells the tale of Scarface going about his daily things. Great story for kids. I'm going to use it for my painting class on Friday as their inspiration.

Shahrin says

Finally an introduction to the cat behind the legend... Meet Scarface Claw! Thin in words, but it think the illustrations make up for that.

Sharon says

Another great book from the creator of the Hairy Maclary books, this one features the toughest tom in town, he is the toughest cat until he sees he reflection that is.

A quick and enjoyable read
