Loved it! Jacob Madaris is the wealthy owner of Whispering Pines Ranch. Imagine his surprise when his friend, Sterling, asks if the famous movie star, Diamond Swain, can rest/hide there for three weeks. Jacob wants so badly to say no, but once he gazes into Diamond's beautiful eyes, Jacob finds it impossible to say no! Great story!

This is one of my favorite books by Brenda Jackson! When I read this book it felt as if I could smell the bluebonnets of the page and could visually see his ranch. I loved how descriptive this book was of Jacob and Diamond's feelings as well as the land. I could picture the story as I read it. I could read this over and over.

Another excellent love story in the Madaris series. It's amazing how true love wins out over troubled times always. Jake Madaris is a man after my own heart that will stop at nothing, not threats against his own life to protect his true love Diamond Swain Madaris. This is a must read! Brenda Jackson has outdone herself again. I can't wait to read the remaining installments in this series!

This was a great read page for page. A great love story filled with emotions, love, a few scary moments, and humorous. Love will survive through the tough times. It was definitely a book I couldn't put down. This series keeps getting better.

I just started reading Brenda Jackson's books and I have fallen in love with them. I really enjoyed Secret Love. I love the way that she portrays blacks in her books, with the characters (Jake Madaris and Diamond Swain). I believe that "Secret Love" shows that real love can prevail over any situation. LOVE IT!

One of my co-workers let me borrow this book...it was so good. And, actually, I had to buy her another one because I carried it around so much, the cover got torn off...lol!

This 8th book's story line is very sweet & loving. Some parts of this story surprised me. I felt sorry for Diamond. I loved how Diamond stood up for herself. I loved Jake's character. I loved the updates about the previous characters. I loved the ending.

Carolyn King says**My Favorite Madaris Couple**

I never get tired of reading this book. I have the paperback but I had to get the kindle version. I love Jacob Madaris and Diamond Swain as a couple.

IMHO this is what romance readers seek when they select a romance novel. I was thoroughly CAUGHT UP in Jacob and Diamond's whirlwind romance! I heard so much about them in the other novels I read in the Madaris family and friends series it was great to FINALLY witness their love from beginning to end. Simply Beautiful!

Jake Madaris the ultimate cowboy.... Rounded up Ms. Diamond! Lovely, lovely story! Who wouldn't want to have too much love in their relationship! I love how these two individuals didn't want to fall in love and did anyway on the beautiful Whispering Pines ranch. Great Read! True Love is next in line!

Don't leave me, don't ever go away

I am reminded of song lyrics when I read Jacob and Diamond's story. Secret Love is the perfect title, but Enchanted Love would be second best. The traditional wedding vows come to mind, love, honor, protect. The key being love. Jacob loved Diamond, and Diamond loved Jacob. It was not just in word but in deed. How does it go, no greater love, than laying your life down. Well, in their own ways that is what Jacob and Diamond were willing to do. I am constantly reminded of how powerful love is and how it can endure anything. This story is one I will cherish and I know others will enjoy.
