The Little Soul and the Sun: A Children's Parable Adapted from Conversations with God

Neale Donald Walsch

The Little Soul and the Sun: A Children's Parable Adapted from Conversations with God Neale Donald Walsch

The Little Soul and the Sun is a simple and powerful story that brings children a very profound truth: there is not absolute good or bad--that underneath all that happens in the world, all that we call "good" and all that we call "bad," is love. Your child will discover a God that she or he can love, because God is love, as are all the Little Souls who are a part of God. And perhaps parents, too, will rediscover who they really are.

Lin Schussler-Williams says

NOT just for kids!!! I have taught this book to adult congregations in talks on forgiveness. When people have struggled with letting go of resentments, this simple tale gives them a point of view that allows them to heal and forgive and even shift into feeling grateful for everyone who ever hurt them. Powerful book!

Tina says

This book made me rethink my attitude toward those who commit acts of cruelty and injustice. The Little Soul and the Sun, written by Neale Donald Walsch and illustrated by Frank Riccio, tells the story of a little disincarnate soul who wants to experience the act of forgiving when she incarnates. But since everything the Creator made was perfect, there would be no one to forgive. So another little disincarnate soul offers to incarnate with her and do something really terrible, in order for her friend to experience forgiving. When asked why she would be willing to behave despicably, the friend replies, "I would do it because I love you."

I've owned this book since its publication in 1998 and have reread it many times over the years. The recent chaos and unrest in the United States and around the world has moved me to read it once again. And my heart soared. There are many ways to respond to heartless injustice and despicable acts of cruelty. We can react in anger, close and fill our hearts with hatred, and forget who we truly are. Or we can keep our hearts open, move into gratitude, rise above the chaos, and engage in meaningful nonviolent action in an attempt to right the wrong.

If in fact we do make contracts with the Creator and other souls before we incarnate, everything that plays out here on Mother Earth is a lesson we chose to learn and an experience we wished to have. Both the act of cruelty and the remedial action are opportunities for growth. If the contract involves two-way action, then the remedial action must be carried out, lest the contract become null and void.

This book touches me deeply every time I read it. I think it no accident that it's beautifully illustrated and designed as a children's book; for in order to change attitudes and behavior cultivated over a lifetime, we must speak to the child within. I am grateful to Mr. Walsch and Mr. Riccio for the enlightening pearl of wisdom they have given us ♥

Nicholas says

:D

Nalina Wlodarek says

When I was younger (4 or 5) my aunt gave me this book. When I first read this book, I didn't understand it,

but I was captivated by the illustrations. As I've grown up and matured this book had grow with me. At the tender age of 17 I can pick this book and it still brings me to tears. It helps remind me of the power of innocence and the importance and strength required to forgive.

Yafa Crane Luria says

This book makes me feel good every time I read it.

Sarah Storjohann says

Excellent book for introducing spirituality to children. I found myself crying and recalling that yes, I am the light... sometimes, it is easy to forget... wonderfully poignant and well written

Dennis says

Jude and I read this book, parable, and we both learned some great things from it.

Amanda says

Such a great children's book and parable!! If I ever have a child this will be a must read to them. It's a message that I would want them to hear and try to understand, even from a young age.

Svetlana Wesley says

Very deep

treehugger says

This book is SUCH a great kids book - really, one of the best. Although I sometimes question Neale Donald Walsh's complete honesty, he really comes through with the most remarkable way of seeing life in this endearing little children's book. It's impeccably illustrated, and tells the story of a little soul talking with God (NOT pictured as an old white man in the sky, but rather as the sun..refreshing, and making out the description of the story as a 'parable' on the cover to be a bit less put-off-ish).

In his discussion with God, he describes how he knows Who He Really Is (a part of God, perfection), as is everyone else. And he wants to EXPERIENCE his perfection and part-of-godness. Specifically, forgiveness. He wants to experience forgiveness. But, because we are all perfect sparks of God, the little soul couldn't experience forgiveness.

A friendly soul pipes up and promises to give the little soul something to forgive him for in his next life, so that he could have a direct experience of that part of God. And the friendly soul agrees to do this, even if it means they both have to forget how perfect they are temporarily, because she loves the little soul so much.

Truly a revolutionary way of looking at those we don't enjoy being around, but who are in our lives anyway. According to NDW, we should be thanking them for the gifts they bring to our lives, no matter what.

A REALLY PRECIOUS story!!

Christina Stinson says

This is my favorite book of all time. I recommend buying it for any adult you know that could use a pick me up or reading it to your children. :)

Iris Lee says

Fabulous. Words of wisdom... short tale, not to be missed.

Carlos Neu says

Simple yet deep

Regardless of how old we are the question about the existence of opposites throughout our lives bubbles up, especially when we are in pain and wishing we were free of it. Why? Well read this book.

carpe librorum :) says

Já conhecia esta história dos livros "Conversas com Deus", aqui ilustrada e adaptada prova que se torna uma belíssima parábola para contar aos mais pequenos.

Shell says

This book helps you and your child to understand your Divine Life Purpose, and why we create the karmic issues in our lives. Beautifully written. A great gift to pass on to every generation.
