Vegan Cuisine Jean-Christian Jury

Cooking and eating without using animal products is a trend that has been around for many years and has only continued to gain in popularity. "Vegan Cuisine" is healthy and versatile with flavors and ingredients with worldwide appeal. It rivals the artistry of traditional haute cuisine and is no more complicated to cook. Vegan Cuisine shows off the limitless possibilities of this refined gastronomy and the stunning plated results in this book of over 800 recipes, collected and curated by top vegan chef, Jean-Christian Jury. Most recently at the Mano Verde in Berlin, Jury's successes and master expertise in the vegan world have informed his life's work of recipes. The book is an homage to green cooking, and a must for anyone who loves to cook, whether they are full-time or only part-time vegans. Dishes range from classic appetizers, filling main dishes sure to satisfy everyone, and sinfully delicious desserts to vegan cheese, bread, soups, smoothies, and many special dishes that will surprise even seasoned vegan cooks. World-renowned food photographer Joerg Lehmann provides the perfect stage for dishes like Asian seaweed salad, vegan croissants, and the incredible Mano Verde Chocolate Tart. Vegan cuisine has never been so beautiful and appealing.
