Jenny Santiago says

Can't wait to read this

Joseph Patchen says

My review is on lurid-lit.com, pilgrim.

E.S. Wynn says

Mark Slade's debut novel, *A Six Gun and the Queen of Light*, is a gripping, surreal and spooky western with intriguing characters and dusty-gorgeous settings described in a vivid style that brings to mind greats like Zane Grey and Stephen King. Ready to ride with the cowboys and demons in the town of Bedlam? Hit the trail with Slade's *A Six Gun and the Queen of Light*-- just make sure you never eat a horde!
