Dictatorial Grimoire: Snow White Ayumi Kanou

For fans of *Once Upon a Time* and *Fables* comes a shoujo-styled manga series about the Grimm Brothers' most notorious characters!

Grimm Otogi, the sole heir to the Grimm Brothers' dark legacy, has been betrayed by his seemingly loyal servant Cinderella. Cinderella has stolen the Grimoire, and with it, the only way to bind and control the Märchen demons! Now, stalked by a vengeful Snow White, can Grimm retrieve the magic manuscript from the evil Puss in Boots--without alienating his few remaining friends and losing his soul in the process?

Find out in the hotly-anticipated second volume of *Dictatorial Grimoire*, an intriguing twist on classic fairy tales!

Nick Sweet says

A great manga take on the fairy tales of old. Many of the characters we know and love from fairy tales are reimagined as super hero bishonen type men, who have interesting takes and looks. For example, Cinderella is a clean freak with an S&M streak who controls and manipulates glass, and Snow White is a sadistic poisoner. That being said, it is still an enjoyable read, and would recommend it to those fans of manga who are interested in fairy tales.

Mladoria says

Un tome 2 où le passé se révèle, les ancêtres de Grimm ont de bien sombres penchants. Et après avoir récupéré son "équipe" de choc, il faut se préparer au combat final !
Une jolie avancée pour un second tome bourré d'action avec l'introduction de nouveaux personnages de contes. L'atmosphère est toujours sombre mais le dénouement est assez optimiste. Les graphismes sont toujours aussi vifs et les personnages se révèlent petit à petit.
Hâte de découvrir la fin de cette petite série de conte réécrit. Inventif et audacieux.

Gina says

This was not at all what I was expecting. To be fair, I was rushed in the bookstore the day I bought it so I didn't take a whole lot of time examining it before purchase. And I'm glad I didn't. When Cinderella first showed up and was a dude I thought "umm...what?". This sort of genderswap stuff is not usually my cup of tea. But I kept going and this honestly turned out to be hilarious. The character's play into the stereotypes of their "originals" just enough while also being different enough to be new and exciting. While several characters end up with a crush on our 14-year-old hero, this is really a story about friendship, family and choosing your own destiny.

Heffa says

Eine gelungene Fortsetzung und ein riesen Cliff Hangar der gespannt macht auf den 3. und letzten Teil :D

Becky says

I didn't like this one as well as the first, primarily bc the ending irked me. I wish the main character were a stronger character. now off to finish the series!

Kailey (BooksforMKs) says

In this 2nd volume, Otogi meets more of the fairy tale characters with whom his ancestors, the Brothers Grimm, entered into a dark agreement. Otogi has to decide whether to bind the fairy tale people into a magical book, or give some of them a second chance. But he doesn't know who to trust, or who will betray him.

The action really picks up in this one, and many of the characters must go through a personal journey to determine what side they will be on in the upcoming fight. Everyone has their own schemes, and most of them are trying to use Otogi for their own ends, but his goodness and kindness wins him loyal friends.

Otogi wants to see the best in everyone, and he finds it hard to believe that anyone could be completely evil. He surprises everyone by being merciful and forgiving, even when he is badly wronged and has his enemies in his power. He's sarcastic and reserved, but he learns to open up to his friends in this book.

We get to see a little more of the history of Cinderella in this book, and some of the mysteries of the past are explained. I was thoroughly entertained by the plot, and interested in the characters!

Andre says

I think this was a good continuation of the story and it delivered well on the good cliff-hanger from the first volume. However with so much being shown I did wonder whether the third and last volume could answer the questions raised.

I also wondered why the English version of this volume was called Snow White. Sure Snow White has a role and all, and we even got backstory, but is far from the focus of this story. Also we got backstory for Cinderella as well, won't spoil it for you, so why the choice of "Snow White" for the title? Well I guess it will always stay a mystery.

But anyway I still like the humor and story, I just wish Hiyori would be more confident, seriously she could easily beat me up. What is it with authors and using this stereotype that a girl is somewhat ashamed/afraid of her strength? At least this is how she came along to me.

Endlich geht Grimms Abenteuer weiter. Nachdem Cinderella und Yuma in betrogen haben durchlebt Otogi eine harte Zeit. Aber zum Glück hat er Hiyori und Schnee die ihm zur Seite stehen und gemeinsam wollen sie um das Grimoire kämpfen. Aber der gestiefelte Kater hat noch einige Tricks auf Lager!!

Schnee zeigt endlich mal seine Nette Seite und ich finde ihn super nett. Was seine Mutter ihm angetan hat war so schlimm, aber jetzt hat er ja Freunde gefunden die ihm zur Seite stehen. Aber wir wissen immer noch nicht was er mit Rotkäppchen zu tun hat, hoffentlich erfahren wir das in Band 3.

Grimm hat mir richtig leid getan, sein Freund und "Diener" haben ihn verraten und dann geben sie ihm noch nicht mal eine Erklärung dafür. Aber am Ende kommt alles anders und die Autorin bringt zum Glück am Ende Licht ins Dunkel. Cinderella ist doch kein Arsch, er ist einfach nur verzweifelt.

Yuma mag ich einfach nicht, er hat sich nicht mal dafür entschuldigt was er Grimm angetan hat, er wollte sogar Hiyori ihre Freundinnen umbringen. Er ist mir einfach nicht sympathisch, er war auch so gemein zu Rapunzel. Bremen hat er zum Glück nichts getan, er is so niedlich.

Der gestiefelte Kater ist immer noch ein großes Geheimnis. Ich weiß nicht was er will. Er hat ja zum Schluss die Anti-Grimm-Einheit gegründet, die wir in Band 3 kennen lernen werden. Rotkäppchen ist in der Gruppe und ich glaube die Anderen waren Hänsel und Gretel, Dornröschen und die Person hinter dem Vorhang konnte man nicht erkennen. Ich hoffe ich habe die Anderen richtig geraten, aber das erfahren wir erst im nächsten Band!!

Der Band war besser als sein Vorgänger!! Spannender, mit mehr Action und noch viel geheimnisvoller. Es liest sich super flüssig und die Zeichnerin hat ganze Arbeit geleistet. Die Handlung ist super schön und die Figuren sind es sind Märchenfiguren da muss man eigentlich nicht mehr dazu sagen ... aber ich liebe sie!!

Heather says

Great new series! Loved it and fun to read! Would recommend to anyone.

Charlotte says

A pleasant read. Continued well from the previous book. I like the development of Snow White's character, the curve balls thrown our way by the author and the protagonist's steadily growing self-confidence. The other fairy tales which are introduced are suitably different from what the reader recognises, but the alterations are engaging and interesting. The art work is brilliant, as in the first book, and the translation is top-notch. I would recommend this series.

Nicole says

As per vol. 1 3 1/2 stars.

Annie says

Good continuation from book 1 with fairytale characters that are just as badass in book 2 as they were in book 1 however this time around the question is, are the fairytale characters going to be bound by a dark agreement made by ancestors before or do we set a precedence in modern times.. it was fun to read, pretty cool take on Brothers Grimm tales..

Snow says

reviewing for The Unshelved Book Club

Kyogou says

I couldn't remember what had happened during the first volume much, whoops. But I'm rather fond of Kanou's art style and the unique take on the original stories of the Grimm Brothers is entertaining. The only part I found somewhat irritating was the fact the main character still let the one guy be his friend even though the friendship had been false. I would've dumped his ass, honestly.

Chris says

Cute and silly
