Hellbound

J.A. Cipriano

Hellbound J.A. Cipriano

My name is Mac Brennan and if you haven't guessed, I got myself trapped in Hell because I couldn't bring myself to kill my Ex. It was a split second decision that left me trapped in Mammon's domain with no way out.

Now, if I want to get out of Hell alive, I'll have to rely on the girl who shot me and left me for dead. Twice. Not the best odds, sure, but I've had it worse.

Unfortunately, the Prince of Greed still wants her dead, and let's just say that isn't an ironic title because of his selfless nature. No, what Mammon wants, Mammon gets.

Usually.

My name is Mac Brennan, and it's time to give 'em Hell.

Montzalee Wittmann says

Hellbound (The Thrice Cursed Mage #6) by J.A. Cipriano is a thrilling ride through hell and back with some shady characters you will grow to love. Mac wants out but doesn't want to kill his ex-girlfriend like his contract demands so he takes her with him. Along the way, they get into so much trouble and meet the most evil creatures, battle the most strange, travel to the unknown, pick up a helper (they could use the help no matter how shady), and try to find the way out of hell. Good luck! Going back on a contract doesn't sit well, and they make even more enemies along the way, that's what happens when you try to kill them. (In self defense but they don't care) It is a great plot, lots of action and fun, and amusing characters along the way. Loved it! Thanks for letting me read it.

Karen says

Oh my freaking goodness! Indiana Jones has nothing on Mac Brennan. You are swept away in a tidal wave of action and magic. I highly recommend this series to any lovers of this genre. I voluntarily read a free copy and this is my honest review.

Penny Noble says

As all of the books in this series, the sixth one started off with a bang exactly where it ended in the previous one. Mac is still up to his eyeballs getting himself into deals and trouble right and left. The action is still non-stop to the point you can't catch your breath, and the writing is still superb. I just wish a little tiny bit that we could get a little bit less action sometimes. Don't get me wrong, it's really fun and a great read, I'd just like to stop and take a look around once in a while. But, to be fair, the books are always a great read. The cliffhanger in this book is a killer; so much so, I'm curious to see where we are headed. How will Mac get himself out of this one!?! Highly recommend!

Thanks to the author for the e-copy which I voluntarily reviewed.

Mike says

3.5

Sue Plant says

Mac at his best doing what he does best killing people

Not a bad book loads of action and fights with a twist at the end that I didn't see coming

allendwhite1956 says

Hellbound

Interesting twist on a concept of Hell. While I have found the series entertaining, there's a part of me that finds it disturbing that we can make hell and Lucifer something to joke about!

Em Taylor says

Loved it

I waited to post the review until I finished this one because I couldn't wait between books long enough to write them. This series would only be better by being one long novel. Can't wait for the next installment.

Larry Mckirahan says

Sit back and prepare for the best of the bunch.

I felt a tiny bit silly when I realized I was smiling after finishing the last line of dialogue in this very satisfying read. So please, enjoy its non-stop action and witty dialogue yet, don't be surprised when the ending brings a smile to your face with a bit of warmth to your soul. Savor this one.

Larry McKirahan - Author of "Heart of Wood and Nail" - A short poem.
