The Billionaire Next Door: Ransom's Story Judy Angelo

NEW YORK TIMES and USA TODAY best-selling author, Judy Angelo, presents:

Book 13:

THE BILLIONAIRE NEXT DOOR

NEVER PIT AN ALPHA MAN AGAINST A FEISTY FEMALE

Soledad Felix doesn't take guff from anyone, not even if that someone is the tall, dark and gorgeous hunk who moves in next door. Since the day he moves in he's a royal pain in the rear, going out of his way to make himself a nuisance. But then, as fate would have it, her big, bad and bossy neighbor falls right into her hands. And with him at her mercy, it's time to make him pay...

Ransom Kent likes to mind his own business and lead a quiet life but tell that to his crazy neighbor next door. From the first day they meet it's like she's got this thing against him, a crazy vendetta of her own making. And it doesn't help that she's both beautiful and bewitching, with a whole lot of hot sauce on top. It's an alluring combination that he just can't resist. But when he gives in to the temptation and hands her his heart on a platter, that's when he realizes she's nothing like the woman he thought she was.

The epic battle of fire and ice, and only one can be the victor...

From Reader Review The Billionaire Next Door: Ransom's Story for online ebook

Danika says

At least it was free and it wasn't so bad I couldn't finish it but Solie was an idiot. 1) It starts with her yelling at her neighbor for every little thing he does and constantly threatening to call the cops. Which hit a personal note since I have that neighbor. Let me tell you, I have not fallen in love with her. Instead I say a little prayer everyday that she drops dead. 2) She has a stalker ex and the book reads like a manual for what not to do if you have a stalker! She answers his calls, doesn't report him to the police, opens the door to him, he barges into her house and she follows him in. She meets him for lunch to secretly tape him confessing his stalker behavior but all he confesses to is calling a lot and entering her home. She doesn't record her repeated requests for him to go away nor does she pick a fight with him so she can get his threats on tape. It ends with her finally reporting him to the police and here's the real shocker... the police set up a sting to arrest him. Now that is a work of fiction!

Erin says

I wanted to like this story, but the constant misdirection with a different character took away from the main storyline.

Alp says

3.25/5

This book was ok for me. Fast and light read.

Cynthia says

Great

A great book about 2 neighbors that drive each other crazy & find true love after he gets injured on the job. Little does she know he's a billionaire.

Jane says

Soledad Felix is a nurse with an attitude and from the minute the new neighbor, Ransom Kent moves in next door they clash until he wakes up in the ER at the hospital and Solie is his nurse. They move from antagonists to friends to more during the story with some funny situations along the way. Soledad also has an ex that is trying to get back into her life to add additional conflict to the story.

If you like a good romance, some humor mixed in with real life situations and a touch of danger; *The Billionaire Next Door* is a good light read for a relaxing reading experience.

Squallogal says

This was awful. It felt like it was written by a teenage Christian girl who'd never dated. The romance wasn't believable. The beginning had promise but it all went down hill from there. All the tension fizzled constantly. The bad guy is wishy washy. The story felt more like it should have been about the younger brother. It just didn't gel.

If you like quick, basic, cardboard like romances with little to no swearing and PG sex scenes, then this might do in a pinch. Totally not for me.

MaryD says

Meh. Not good, but not awful. I thought the character of Soledad "Solie" was almost a caricature of a Latina, and Ransom just didn't do anything for me. I won't be reading any more in this series.

lashaunta brown says

Boring

Heather andrews says

Ransom that boy makes a trip going to the mall sound dirty, "I've got a better idea," he said, his voice turning cheerful. "Why don't I take you to the mall? I took the day off so if you want me, I'm all yours." Then he can be all animal like when his woman gives in, "it was like that was the signal Ransom had been waiting for all his life. With a growl he bent and lifted Solie in his arms then turned to walked purposefully down the hall." I really enjoyed the battle of wits Solie and Ransom had it made the story entertaining and I will surely be reading more books by this author.

Mstotleben says

Should've been a DNF. Boring, choppy story, rough timeline, skimmed and rolled my eyes most of it.

Dorel says

The only things I liked about this 13th book was Ransom & family & I also liked some of the dialogue. The story line was boring & I thought Soledad was annoying.

Joan Neal says

Sorry guys ! I didn't think much of this book. Weak character development. Weak plot. I wanted to like it, I read the reviews. I wonder if the reviewers read the same book I did. This is such a disappointment.

Connie says

Sweet story another Judy Angelo hit

How do feuding neighbors work out their problems? With irritability growing into fondness into more. Good work by Judy Angelo. I have enjoyed all of her work that I have read.

I thought it was kind of anticlimactic in the handling of Raul. Expected him to attack Solie or her house. More drama.

Wanda Jacobs says

Avid Reader

The story was okay. No excitement. I thought it was a clean book but it was not. I didn't care for the descriptive sex scenes or the language. I don't care to read a book and within the first few words is a swear word. I definitely don't care to read books that uses God's name in vain. Unless I forget, I will not read any more books by this author.

Patty says

I can't believe I actually finished this.

This was brutal to read, the story was choppy, no character development, and Sole and Ransom's relationship was so unrealistic!
