The Real Dopeboyz of South Central 2 Barbie Scott

After rescuing Dreu from the burning trap house, Cali learns that Dreu was his competition all along.

Forgiving Dreu was hard but he couldn't imagine life with out her.

When Cali is caught with his pants down; literally, Dreu is done with the heartache and moves on. She ends up in the bed of Cali's plug but she soon regrets it.

When Brick comes in and shakes up East's world, he leaves Jennifer to be with him and he moves on. The only thing he wants from Jenn is a DNA, however, death is still lurking.

Poor and innocent Kaloni has moved up from a side chick to East's main thang. But after tragedy strikes, Kaloni is caught up in the middle.

In this sequel of Dopez Boyz, things take a turn for the worst leaving both Cali and East with broken hearts and bloody hands.

That Ending Got Me Stuck

Nooooooooooooo. I know Cali didn't go out like that. I know he not dead Barbie. Oh my gosh I can't believe Dreu. She done messed around and got knocked up. This book had me hooked from start to finish. I am just too shocked right now. East and Kaloni are so cute. I'm glad she pulled through.

Rollercoaster!

The writer brings us back right to the action and doesn't let up. The jury is still out on how I feel about this couple Drue and Cali ,I mean they are so volatile and do not like the fact that they are physical with one another. I wanted a little more dialogue between Drue and Cali because they can't get themselves on the right track. This was an explosive story and it ties you into all kinds of knots and leaves a ton of unanswered questions. Overall the writing is good and we have moments where the dialogue is really good.

I'm stressed

Pamela Johnston Ward says

Noooo

Noooo! It can't end like this. That ending has me wondering what's going on with Cali and his mom and sis. Too many things point to him not being dead. HMMMM. Poor Dreu. My heart goes out to her. There has to be a part 3, because Drak needs to be dealt with.

rochelle pettrie says

Noooooooooo

This can't be happening , Cali had a jacked up way of thinking and doing things but I know he was gonna get it right, poor Dreu, man this book has had me in my feelings since pt1 but I really enjoyed both books I just wish it wouldn't have ended that way

MALIKA says

Triangle of lies

Wait pause that wasn't the ending . Your not gonna make me believe Anthony is dead , y'all never said what happen with Jazzy WTF Barbie don't do me like this ? I just knew it was a connection with Cali and Brenda she wasn't upset when her house got burned down or when he husband died

???????

Girl,girl, girlllllll got me over here having a anxiety attack??...as expected you came thru??i love how In every book you write you make me feel in touch with the characters like i know them all in real life??! it was crazy how everything played out! At first i thought Dreu was only going to use Drak as bait i didn't think she was going to actually sleep with him?????! Her & Cali with this whole back & forth stuff is crazy...My favorite part was when Loni woke up out of the coma? couldn't let my girl go out like that.....something is telling me there is a finale & Cali isn't dead! I'm almost sure Drak is not going to let Dreu go just like that knowing she's pregnant not without a fight anyway! i know there's going to be something with Brenda & Isabel. All & all both parts was a real page turner?? keep up the great work♥????

Sharon Thompson-Lloyd says

Wow

Ok so now I'm really stunned. Will there be another sequel to this? I'm not feeling how this book ended. I'm hoping he was wearing a bulletproof vest and is still alive, hence the closed casket. Please consider this a possibility. Too many unanswered questions. Yet in still a great book.

Michelle Sharpe says

I loved this series Dreu & Cali was something else I loved her and Cali love hate relationship one minute they would be argue then the next making up I loved East and Koloni relationship this was my first time reading a book by Ms/Mrs Barbie Scott and I promise you it won't be my last know she got me hooked I would definitely recommend this series to anyone

Sandsuhray Hawkins says**So sad**

I was really rooting for Cali and Dreu. Even though they both messed up, you can tell that they have love for each other. Hopefully Easy and Kaloni can learn for this ,and get it together. Really hated the ending,you left me hanging, I wanted to know if Cali is still alive or what.
