The Vision of His Glory

Anne Graham Lotz

The Vision of His Glory Anne Graham Lotz

With an inspiring sense of wonder and a focus on Jesus Christ, Anne Graham Lotz brings clarity and understanding to the book of Revelation. Lotz takes the reader step-by-step through John's eyewitness account of God's plan for our future, emphasizing our hope in Jesus rather than our fear of end times.

join Anne Graham Lotz for a closer look at the book of Revelations...

This is not your typical read for Revelations. Anne Graham Lotz allows us to see Jesus through the eyes of the beloved disciple, John... not just Jesus, the man who walked this earth for 33 years; but, the coming King of Kings. Along this journey she seeks to help her reader see the reality of Jesus Christ.

She shares the Bible Study method that she uses for her devotions.

The workbook and related Bible Study DVDs are awesome.

Dotty Strickland says

Ann Graham Lotz not only teaches you the facts of biblical events but also the practical applications that allow you to personalize what you read and how to involve that in your daily living and relationship with God. I used this book and the teaching dvd, obtained separately, to supplement my Rev. bible study.

April Vaughan says

Lost interest in this book and can't seem to find it.

Lisa Jamieson says

I thoroughly enjoyed and appreciated this close look into the book of Revelation that shows where our true hope comes from even in the face of devastating circumstances.

Brandi says

re reading just because it is that good

Lee Anne says

Enjoyed Anne's lectures that go with the study more than the study itself.....

Lora says

excellent....good read...HOPE

Rick says

This lady brings it. As well as her more well known father.

The Book Man says

HOME! It is a synonymous with love, acceptance, comfort, and security. It is a place where my needs are met. It is a place where I can take my burdens and lay them down. It is a place not only when I can find answers but where my questions no longer seem to matter.

My candle is soon to go out, but he sun is rising. And who needs a candle when you have the Son?

Joyce says

This is my copy, a used one, marked up by someone else.

I like Anne Graham's writing. I like the way she sees things. Most of the time.

This book was different from the last one I read by her. This covers the entire book of Revelation. Most of the time the reader is not aware of the Scripture itself, as Anne writes so well in her own voice, which is true to the Scripture. But it made for a long book. I had to force myself to finish it. I lost her enthusiasm somewhere along the way, which is unusual for me.

I love the way the author alliterates the sections of her chapters. It may seem corny, but it's a good way to grasp the general thoughts, and she seems to have an endless supply of words.

And I love the theme of the book, which is the theme of the vision of the Apostle John in the book of Revelation, the Vision of Christ's Glory, which should be core in the believer's life.

If I decide to read it again I will plan not to read it straight through. I may use it as a reference book. I recommend it to the serious Bible student and disciple of Christ.

Sue Johnson says

One of my first books. Excellent read about genesis.

Deborah says

excellent reading.....I can understand more of Revelations since reading this!

Larry says

billy graham said his daughter anne was the best preacher in the family, and he was right

Shelly says

I received a new vision of His glory through the reading of this book. Hallelujah!!
