## **Their Brazen Bride** Vanessa Vale

Abigail Carr has her sights on the Landry boys, both Bridgewater men. That means they claim a bride together, which is just fine with her. Both Tucker and Gabe have turned her head. But she's ruined her chances with them because of a bad situation of her own making. She's made up a beau to feel included in the community. But news travels fast in a small town and her lie has taken on a life of its own.

Tucker and Gabe Landry want Abigail, but they won't claim what belongs to another. Discovering the truth, they vow to make her theirs, no matter what it takes.

## **From Reader Review Their Brazen Bride for online ebook**

### **Kim says**

I voluntarily read this ARC in for my honest review. I have read and review a few of Vanessa Vale's work and come to love her work very much. She has also become one of my favorite authors as well. You will never be disappointed with anything from her. When asked to read this book I got so excited I just couldn't wait to start. I love the Bridgewater Menage series!! I have has the opportunity to read a few from this collection and have just loved them. You will come to love Abigail, Tucker and Gabe. Abigail scarred from a past family tragedy has become shy and lonely. Sent away to school for two years has found a good friend in Tennessee her school friend who life is being threatened. Will Abigail be able to do what it takes to save her friends life? Tucker and Gabe have wanted Abigail for years now. They have their chance when she comes home from graduating school. Do they have a chance at becoming Abigail's husbands? Will they let her secrets keep her away from them and the love they all three want?

---

### **? Jessica ? says**

I absolutely love this series. The past two or three books have been even better, if that's even possible. Vale has just upped the suspense and strengthened the plot. Don't worry though. That panty melting goodness is still prevalent throughout each book. Thank the lord!

I voluntarily reviewed an advanced reader copy of this book.

### **Sherri Wanous says**

#### **Very entertaining series**

I have thoroughly enjoyed this series. If you are looking for a glimpse into the wild West with a sexy twist this series is a must read.

---

### **Toi says**

#### **Great Quick Read**

Another great quick read about how Tucker, Gabe and Abigail become a family and how she's trying to save her friend Tennessee.

---

### **Donna Repsher says**

Chalk up another hot read in the Bridgewater series from Vanessa Vale. I give this one 4 stars.

Abigail, who bears a burn scar on her face, has been away at finishing school in Butte for the past 2 years, sent there by her brother, James, her only living relative, where she met and befriended a girl named Tennessee. Her school friend lied when bragging about her wealthy family to handsome mine owner Paul Grimsby. Oh, the things we bring upon ourselves by lying! Mr. Grimsby then kills the girl's father, who's come to town for her graduation, and kidnaps Tennessee demanding money. When she admits her lie, he threatens to kill her too, until her friend Abigail steps in to try to save her. Her brother is a large land holder, and while most of his wealth is tied up in ranch land and cattle, she bargains with Grimsby to return in a week with money, or something he can sell for money, in order to save Tennessee's life.

As soon as she returns home, she attends a wedding and again notices the two men whom she's been crushing on since she was fourteen, stepbrothers Gabe and Tucker Landry, of Bridgewater. Now, at age nineteen, she realizes that this is much more than a crush, and, being familiar with the Bridgewater custom of men taking more than one wife, that knowledge and her attraction to both of them, makes them even more appealing. However, she feels that these two gorgeous men would never want her, viewing herself as rather plain and being extremely self-conscious about her facial scar. What she doesn't know is that Gabe and Tucker have had their eyes on her for years but never approached her because she was too young. When Abigail invents a fictitious beau, Aaron, back in Butte to make herself fit into the women's conversation and to give her a reason to return to Butte and pay off Tennessee's captors, the brothers are hesitant to approach her. When she explains that she intends to return to Aaron, James is too ill to accompany her, and Gabe and Tucker offer to escort her there instead, but when she admits that Aaron is not her fiance all bets are off and the two men take her to their home in Bridgewater instead, offering to marry her, something which creates even more problems with her deadline in Butte, and the need for even more lies.

You can always rely on Vanessa Vale and the Bridgewater series for a steamy menage romance read, and this addition to the series is no different in that regard, although Abigail is indeed the most brazen bride in this series. What I liked best about this short novel are the underlying themes of lying being so much worse than telling the truth, and the mistaken belief that a woman's self-esteem is only about her physical appearance. Although Abigail can scarcely believe it, Gabe and Tucker actually do see the wonderful woman she is behind her scar.

My only complaint, as ever, with this latest addition to the series is my perennial complaint about the books in this series--it's just too darn short. There is certainly enough material here for a full-length novel, and with each addition to Ms. Vale's Bridgewater series, I keep hoping she'll give the fans of this series what we all seem to want--more length, please!

### **Loretta says**

Well, Bridgewater is quite the establishment. Another good chapter in this series.

---

### **Tammy says**

Fast paced steamy read. Abigail has had a crush on Gabe and Tucker and now that she is back from finishing school to her surprise they want to claim her as their own. Abigail is hiding something from her new husbands what will happen with the truth is revealed. Love this series, my only complaint that I wish they were longer.

---

## **Cheryl Sanders says**

This is the Bridgewater Ménage series book 8 and it's about Tucker and Gabe Landry and Abigail Carr. This is a case of each knowing what they want but never telling the other until it was almost too late. She'll do whatever it takes to save her friend, even at the expense of the relationship with the two men she's wanted forever. Even though she's self-conscious of her scar she's a very strong woman. She'll need to be in order to handle the extremely sexy Landry brothers. In the end, I don't think she'll be telling any more lies.

Fantastic read! I can't wait to see what's next in this fabulous series.

## **Daphne Cochran says**

I received a copy of this ARC for my honest review.

What a fun, fast paced book that just kept this reader turning the pages till the end. I love this series and sure wouldn't mind being a Bridgewater bride and having 2 smoking hot cowboys at my beck and call. Well worth your time to take an afternoon and sit back relax and enjoy another winner.

## **Barbara "Cookie" Serfaty Williams says**

### **Their Brazen Bride (Bridgewater Menage series Book 8)**

The love story of Abigail, Gabe and Tucker. Abigail has been in love with Tucker and Gabe since she was fourteen. Now as an adult she wants to marry them. Problem she must rescue Tennessee from a man who wants money. Can she do it? Great story.

---

## **Romantic Vixen says**

I VOLUNTARILY REVIEWED AN ADVANCE READER COPY OF THIS BOOK.

Like all the other Bridgewater series books, Their Brazen Bride is full of steamy romance.

As I absolutely loved all the other books in the series I had really high hopes for this one. However I have to say it didn't quite leave as much of an impression as the others did.

Abigail Carr is a shy, soft-hearted, loving woman, who knows exactly what she wants and that is to be the woman between the two Landry brothers. She is really too nice for her own good, as she is always thinking about helping others. Due to the burn scar on her face for which she has always been made fun of, she is sure that no one can look past her scar to the real her. And although she finally has a chance at a happy ending, she is afraid that the trouble in Butte will never allow her to fully enjoy her life with her men. So she must go to Butte at all costs and rescue her friend, so that she may live a happy and fulfilling life with her men.

Tucker and Gabe Landry have loved Abigail since maybe before it was right to do so. However now that she

is back as a fully grown women, they will do whatever it takes to make her theirs. And while Abigail is determined to do everything on her own, she is theirs and they are determined to maker her see that she is not alone and she is not to ever put herself at risk.

While Their Brazen Bride is an amazing story, I feel the pace of the story was too fast, which in effect downplayed the conflicts of the story. If one is here only for the steamy sex scenes, then this story deserves a 5/5 however as a Vanessa Vale fan, I am a little disappointed with the plot, as I know that their is a lot of potential in this story, and that Ms. Vale could have done so much better. Instead of hurrying to the end, (which is the feeling I get when reading this book), I feel that the author should have placed more focus on Abigail's struggles, especially her inner struggle to accept the punishment meted out to her by her men. While it is true that Abigail has wanted the Landry Brothers since girlhood, through her determination to save her friend, she seems to be a women of strong independent character. However we didn't get to see her put much of a fight when receiving her punishment. While submission is a form of power, I had expected her to struggle a bit against being spanked like a child. However she immediately seems to give in. Even the men don't question her fully when she admits to them that she lied, they just move onto punishing her for doing so, which is not really what I had expected. Her brother allows her to travel to another town in the company of two men she isn't related to, which is unrealistic of the time, even if they showed interest in marrying her. The time period which Ms.Vale is trying to portray would be against doing such a thing.

Although this book is really great, both romance and sexiness vice, the plot wasn't as good for me and therefore to this book I shall give only a 3/5.

### **susan says**

#### **Good**

Love it it on on on so good I love the whole series's was great it was so great y

---

### **Liz ~ Liz's Reading Life says**

Oh man, what a wild and erotic ride!

Abigail is shy, timid woman that has been tormented for as long as she can remember for a scar on her face. Although the scar came from saving her beloved brother from a fire, no one seem to look beyond that blemish. Despite this, her heart desires two men that she believes doesn't even know she exist.

Tucker and Gabe have had their eyes set on one woman for years and now that she's back in town, he decide to make their move. However, news gets around that their woman may have a beau that will stand in their way. But after a conversation with Abigail they know this man will not be a problem, so they make a plan to claim her.

But Abigail has a secret that could cost more than just money. She will do whatever it takes to protect her men even if it cost her own life.

I greatly enjoyed this story even though I hadn't read any of the previous books. Their Brazen Bride can be

read as a standalone since each book features a different couple. The sparks that flows between the three fly off the pages and their passion is undeniable. Hot mama, those three really know how to heat things up. I particularly loved how Gabe and Tucker went after what they wanted and didn't let anything or anyone stand in their way. Additionally, their protective over Abigail is astounding. But I think what I love best would the way they strove to show Abigail that she's more than her scar touch my heart and soul.

I would recommend this book and the series to any romance lover looking for a quick and sultry read.
