Laci says

This was cute.

Gail says

oh wow. I love this little short story.. love seeing/reading more from Alex and Violet.. :)

Fanny says

Una lectura rapida y corta, perfecta para todos los fan de la saga Pucked de Helena Hunting, si leiste la historia de Alex y Violet no puedes dejar de leer esta pequeña novela, es muy graciosa aunque un poco absurda, pero quizas ese echo es el que la hace tan hilarante.

2.75 Estrellas!

B.A. Wilson says

An awkwardly charming and amusing little short on Violet and Alex, featuring Super MC experiencing a holiday theme.

CARISSA E says

I love it when Violet dresses Alex's dick up in costumes. This time instead of a superhero she dresses it up as mini Santa. Though there is nothing mini about Alex. She is hysterical and Alex is always such a hot ass sweetie, I love these two.....

Danny {literary_owl} says

Great steamy novella. Super funny scene, totally Violet to do that.
It's free on Helena's website.

Rating: 3.75/5

It's was quite a fast and entertaining read hahaha. Violet simply has an awesome but weird sense of humor and Alex just loves her so much anyways and just accepts what she wants to do to his MC.

Attack Salmon says

What sets Helena Hunting books apart from other Romance books out there is Helena Hunting have a very naughty , dirty and creative imagination.
