Gunslinger Girl, Vol. 4 Yu Aida

Though brainwashed to be cold-blooded killers, the child assassins of Section Two continue to grow beyond the range of their "conditioning." Triela struggles with tears that never come, while Henrietta must deal with her growing feelings for her handler Giuseppe. But there is still hope in Triela, who is slowly coming to terms with her defeat at the hands of Pinocchio... and remembering the girl she once was.

Jj says

This was a great volume, it mainly focus on Triela. But it also makes the readers think that the girls finally have some kind of human fiber in them by falling in love for their instructors.

It was gives you a insight of there minds and hearts as the grow it the service.
