## **Learn How to Increase Your Chances of Winning the Lottery** Richard Lustig

In his book, Richard discusses the ins and outs and dos and don'ts of buying lottery tickets to increase your chances of winning. He has created a method that he and members of his family use that has enabled them to WIN several lottery game GRAND prizes. This is a very easy to use method and will work with any type lottery games (scratch tickets or number games) in any state or country. Here are some quotes from people who have used his method: "My husband and I used Richard Lustig's lotto method and within months of starting the method we hit a Mega Money jackpot for 2 million dollars! It was really easy to follow. You only play what you can and you can still win! Shaun and I will only play lotto from now on using these strategies." -Jennifer and Shaun, Florida "Since we've been using your method, we have definitely been winning more that we used to. It's easy to follow" -Dale, Florida "I just wanted to let you know that my husband and I read through your lottery method last night. It seems great. It seems to be just simple logic and makes sense." -Kate, Illinois

# **From Reader Review Learn How to Increase Your Chances of Winning the Lottery for online ebook**

**Ann says**

Simple, basic advice book about a strategy that worked for a former lottery winner.

---

**Richard Kelly says**

"Books" like this are a waste of space for the most part. This is a short money grab written by a guy who won six lotteries. There is little information in here. It is basic statistics telling you the more you play the more chances you have to win.

It is a waste of time and shouldn't be called a book.

**Donita Bowen says**

Not a lot of information book actually only a few pages ... did have maybe a couple of okay suggestions.

**nooker says**

While interesting only half the math has any basis in reality.
