Nobody's Darling

Josephine Cox

Nobody's Darling Josephine Cox

Money is short for five hungry children in the Miller house in Blackburn, and eldest daughter Ruby yearns to give her beloved family a better life. She stifles her love for handsome Johnny, and works as a maid for Jeffrey Banks and his daughter, Cicely. When evil Luke Arnold woos Cicely, she starts making hats. But greedy Luke steals from his father's business, proposes to Cicely for her father's foundry, orders the Miller father killed, and continues to threaten the lives and livelihood of all the Miller family.

Shirley Revill says

A brilliant story by Josephine Cox. Easy to read but very hard to put down.

An Odd1 says

Front cover claims "in the grand tradition of Catherine Cookson" aims for moral of poor is happy, but I think fails. If you want to read romance glorifying poverty, this is your ticket, not mine. Stunningly gorgeous maid Ruby Miller, loved by stunningly handsome horse groom Johnny, has dreams of helping starving cold cramped family of five. Mother Lizzie is selfish and cruel, crushes her eldest daughter's dreams, desperate to conceal eldest's biological father kind "gentry" Jeffrey Banks back when both already married. Evil Luke Arnold hates his father Oliver, embezzles foundry funds by inferior supplies(view spoiler)

Lucy-Ann says

Brilliant!

I do love a Josephine Cox novel and this one didn't disappoint. I really enjoyed this and glad it ended how it did!

Darla Van says

I liked this enough to choose another book by the same author from the lending library at Westhaven Bay in Tenerife.

It was light reading for the pool or to pass the time, a nice romantic tale about a very strong woman character, and the struggles of her family.

Lilly Adam says

Really enjoyable read, good story line and well written characters. Lovely cozy book.

Joan Archer says

Saga

Another gripping story from a brilliant author, but I shouldn't be surprised as I haven't read a book of hers that I haven't thoroughly enjoyed.

Janet Randon says

Loved this one, another splendid read from J Cox.

Jamie Rose says

I read this on holiday when I ran out of books and had to read my nana's. It wasn't too bad.

Ruby is the poor relation, who gets sent off to her wicked uncle, things are not very pleasant but it all works out in the end.

edna moran says

My opinion on Nobody's Darling.

Nobody's darling was an ok read. I felt that it was a bit slow and boring in some parts. Not one of Josephine Cox' best books.
