Rachel Woodrow's job requires her to travel a lot, to exotic places that many people have only dreamt about. She's a strong, sexy, single woman who brings home a big paycheck but still hasn't found the right man to rock her world. Loneliness isn't an option and so, on her travels, she test-drives the men whom she fancies while still maintaining a few basic rules regarding passion and sex.

When a corporate team building exercise out in the Colorado wilderness forces her to turn her stilettos in for cowboy boots, she feels like her life is over...until she meets Ansley and Carson, two sexy cowboys who are hired to help her to drive some cattle back to LazyR Ranch. Ansley and Carson have a habit of disappearing unexpectedly while driving cattle, and Rachel gets the hottest surprise of her life when she stumbles across their love shack and they offer her a ride for free...

Seduced in Colorado is a sexy, confessional-style 15,000 word short erotic story that contains elements of voyeurism, masturbation, gay male sex, group sex and multiple partners.
