The Bird Day Battalion (Dom and Kate #1) Genevieve Dewey

The Bird Day Battalion is a short, sweet and sexy little Thanksgiving story. Meet Katelyn Anderson, a play by the rules, temporarily out of work archaeologist desperate to pull off the perfect Thanksgiving dinner for her family. Enter Dominic Valentini, her oldest friend and former neighbor, a take chances, take control, think outside the box kind of man. She needs his help. He just needs her.

This is a quick, hot and fluffy read served up free on a platter of gratitude to my readers for all your kind support. It's the usual blend of family shenanigans, love, and romance in a small uncomplicated dose. Enjoy!

I cannot express how much I loved this book! Such a wonderful little story that has stayed with me long after reading it. I love Genevieve Dewey's writing style, there is something so fresh about it that I always enjoy reading her books. 5 Stars for this perfect story!

Hiba says

really short and cute (:

Ahmed Ejaz says

I don't know what to say about this short story. Tis was supposed to be romantic but it wasn't, in my opinion. I don't want to write a overview of this story. Just wanna let you know. I didn't like this story. nothing is proper.

I liked only one lesson from this book:

Don't always follow the rules, sometimes we should break rules to do the right thing!

Elle Klass says

The Bird Day Battalion by Genevieve Dewey is an amusing short story incorporating the fun of Thanksgiving and family. Katelyn and Dominic have been friends forever, growing up as neighbors whose mothers are best friends. Katelyn is a by the book kinda gal and Dominic is wild and carefree. They are complete opposites creating charged synergy between them producing a spicy flirtacious reaction as the two find trouble and love.

Author Genevieve Dewey's writing style adds a fun twist to the read. She uses vivid description along with playful dialogue to create a fascinating believable characters. Once the reader engages the pages of this short story they should expect not to put it down until finished; the story is that good. I found myself laughing as I connected with the mishaps of family gatherings, remembering a few of my own.

Bird Day Battalion is a savory, whimsical must read!

Shannon Gorilla McGee Winston says

Short and sweet and slightly steamy. MC's are featured in another holiday novella The V-Day Aversion.

This book was a quick read, just over 100 pages on my Nook, that kept you wanting to read. It reminded me of my family in a lot of ways. A LOT of ways. Good way to introduce readers to her style as an author.

Kitten ~♥? MM series ~ says

Great story w/adequate background story about long time friends that explore a romantic relationship. A lot of sexual tension. It was a tease but a good tease.

The downfall is all the heroine sisters and brother had names that started w/K and it got confusing who was talking to how.

C.D. says

Loved this book! A funny, sweet , quick & easy read.

Well.. what can i say .. Mhmm not sure very very very short.. Wel i did need something to pass the time in my free periods

Katerina says

On Thanksgiving Dominic works up the courage to confront Kathlyn with his deep feelings towards her... Kathlyn does not need the rest of the day to warm up to the thought of turning their friendship since childhood into something more meaningful...

She adapts pretty quick to the changes.

And in case you are wondering if anything exciting happened here besides a family gathering, well yes!

They kissed and hugged...and...and in the blink of an eye I was fanning myself....

Ha! No spoilers here, fellow readers!

Go, read it yourself...

Ashley Hedden says

This was an awesome story. Genevieve is amazing and talented. This was a funny and heart warming story

that shows true love and what two friends can share. I think everyone should read this and I can not wait to read more by Genevieve.

Julie Butler says

Very well written! I hope this is only the beginning of Dom and Kate's story!

Michael says

I thoroughly enjoyed this quick read. Not my usual genre but thought characters were well written and I could actually picture the whole crazy holiday gathering. Oh, and it doesn't hurt to have been friends with the author's husband for almost all my life.

Rebecca says

This is a slow tease, flirty, fun romance. It's light, quick and funny. But it gets hot in the kitchen when, Dominic helps his childhood friend, Kate prepare thanksgiving dinner for her family and friends. Sparks fly and feelings are reawakened. Leaving Kate in a muddle.

Touching short read that is sweet and realistic. Thoroughly enjoyable, very steamy.

MountainKat says

3.5 Stars

Quirky, yet sweet, Thanksgiving story with a fun family too. Dom and Kate were childhood friends, but she has been oblivious to the crush he's had for years - it was finally time for her to open her eyes. It was pretty short, so that is really all there is to it!
