# Archangel #2

*William Gibson , Jackson Butch Guice (Illustrator) , Tula Lotay (Illustrator)*

**Archangel #2** William Gibson , Jackson Butch Guice (Illustrator) , Tula Lotay (Illustrator)

A military pilot from a radioactive, alternate future has arrived in Berlin 1945, and the corrupt officials from his world want him stopped. Though he won't reveal the details of his mission, he's made one thing clear: our entire reality is at stake.

## **From Reader Review Archangel #2 for online ebook**

### **Matt says**

I had to re-read the first issue but it all came back... time-traveling + Nazis looks fun so far!

---

### **Anna Hepworth says**

Enjoying the development of the various threads of the story. Not convinced that it isn't going to go someplace very dark though.

---

### **Bryan says**

**If you like William Gibson and you like graphic novels.**

This is a must buy. Reminds me of Gibson's most recent novel The Peripheral.

I hope they extend this series.

---

### **Mel says**

I somehow missed that this had come out and saw instead that Three had been released so luckily was able to find a copy of this before reading no.3. It was mostly set during the war, and dealt with the escaping pilot. Interesting plot and setting but too short.

---

### **Saga Norén says**

Time traveling, Nazis and an amazing and delightful graphic art.

---

### **Samuel Peterson says**

Ok, now we're getting somewhere.
