High Octane Lisa Renee Jones

Well-known newspaper journalist Sabrina Cameron has arrived in Austin, Texas, to reinvent herself. Besides a new job and new friends, what better cure for her control-freak tendencies than to skydive for the first time in her life? Supersexy jumpmaster Ryan "Cowboy" Walker is just the wild man to push Sabrina to her limits—both of them know it on sight. The high-octane experiences that follow, meanwhile, have *nothing* to do with leaping from a plane. Talk about losing control!

But when Sabrina's suddenly forced to choose between new loyalties and old...it'll not only force her to choose who she's going to be...but who she's going to be with.

Sabrina - journalist, senator's aka presidential candidate hopeful's daughter, left her job and New York to find herself - to find out who she is independent of her political family...

Ryan - ex special ops - disillusioned over the orders given... partnered with two other special op guys to open a skydiving training school... abandoned by mother, raised in foster homes, moved around in the army - trying to put down roots, but finding it difficult.

They meet when Sabrina's friend sells her on the idea of skydiving to give up some of her over controlling ways... she goes, 'gentle' Caleb is unavailable - randy, attractive & attracted, Ryan steps in... they still don't skydive, but connect...

Sabrina is trying to define what kind of journalist she will be... in New York, her column was political in nature, and encouraging people to stand up for what they believe - and she took on issues that she and her father disagreed about... She's trying out a new non-political slant ... and ends up writing books instead...

Sabrina and Ryan seesaw back and forth - in who is in control, and in protecting themselves, putting themselves out there for the other... but ultimately, each feels safe and at home with the other... ahhhh

This was a wonderful story with Ryan "Cowboy" Walker & Sabrina. As soon as I begin to read where Sabrina walks in Hotzone and instantly Ryan just knows that he is going to have her. Such a lovely romance between the two. On top of all that I just thought Cowboy Walker was exceptionally hot to read about.

I got this book from readers service as one of my free books. I have so many other books i need to read but

wanted something a little shorter to read in between. I know a lot of these books are a bit cheesy but this one was actually really good. It was fast paced, no messing around, straight to the point...I am a huge fan of that, i didnt have to read the same things over and over. I am definitely going to read the other books in the texas hotzone series now
