Marriage by Contract Part 2

When baby Christopher was born that stormy June night, he had two mothers—Annie, the troubled young woman who gave him life, and Bethany, the loving nurse who promised Annie she'd take care of him. And now that Bethany's proposed a marriage of convenience to Tony, Christopher may have an instant family.

Tony's having second thoughts about the wedding since Bethany confessed her secret. It shouldn't make a difference—their marriage is supposed to be temporary anyway. But he's finding it harder to imagine a future without her. What dreams must he give up to make the marriage work?

The story concludes in Marriage by Contract Part 3.

Jennifer says

This book made me laugh a little, as Tony, one of the main characters is a Doctor in a hospital and they make mention of a character named Abigail Horton, who is a character on Days of Our Lives and works at the hospital.

I am guilty of not reading the books in order, but if you don't read Lightning Strikes, the beginning of this book starts and you are completely lost and asking yourself, "where did this girl come from?"

Any other review to this book would give away a spoiler and that would just be wrong! Read it, enjoy it and finish series.

Next chapter in book. This one is more about the in's and out's of Beth and Tony marriage. Annie Christopher mother is back in picture doesn't song good for Beth. Would be better for all these books together.

Chris says

Beth n Tony

Beth told Tony the truth that she was unable to have children. Does Tony still want to marry her knowing that he will not be able to carry on his genes?

They brought Christopher home the night of their wedding somebody lurking around the nursery and putting security on alert and they decided to release him into the care of Beth n Tony.

Annie shows back up will she get Christopher or does she continue to leave him. Read this book for the continuing story.

Happy reading!
