Ruth and Boaz: Strangers in the Land

Terri L. Fivash

Ruth and Boaz: Strangers in the Land Terri L. Fivash

With a cast of over 70 characters and a plot that tugs at the heart, Terry Fivash, author of Joseph, breathes new life into the story of Ruth--singer of songs, faithful friend, and daughter of royalty. But who would have a stranger from a foreign land? This biblical fiction has been carefully done so as to be historically accurate. The author pulls from her masters degree and love in history to recreate scenarios that put the reader in the culture and times of the real characters in the story. This fiction is educational.

Taylor says

GREAT book

Morgan Metcalf says

Great book that keeps you riveted to the pages. Quite thick, but well worth the time.

Jackie says

there are many things i forgot about since i read this for the first time. i enjoyed reading this book alot, but i think it could have been better without the lilith dreams. an excellent book from my favorite author.

Deborah says

good story of the life of Ruth. An easy story to follow and gain a picture of life and times of biblical times. The story and characters are also further expounded on the author's new releases: a 6-book series on David, titled "Dahveed". Good read. :)

Stacy says

While chronologically speaking, this story falls before David, I read this one after I read Dahveed: Yahweh's Chosen. In some ways, it made more sense in that order. I enjoyed this book tremendously.

Stephanie Frey says

Wonderful story! Terri Fivash is an amazing author! All of her writings bring the Bible characters to life and show God's infinite love and care for us.

Kendall says

Amazing

Sandy says

I have read every book you have written. I have never loved any book as much as I have all of yours. They are so real and historical correct. Once you begin you are hooked. I am very impatiently waiting for Dahveed 4 to appear.

Jennifer Thompson-Thalasinis says

I'm so glad I finally read this book! After becoming a widow in the San Bernardino terrorist attack I became very interested in the Book of Ruth. I learned about this author from a friend and of course I needed to read this book first! It's absolutely wonderful. It gives a bigger picture of the history of Naomi and Ruth before they travelled back to Bethlehem. It really fleshed out the family tree and how things worked back then. A great read!

Jared says

Another amazing Terri Fivash book. (I know this one came out before Joseph and Dahveed, but I read them first.) I love any Fivash story, she has a very unique way of bringing stories to life.

Leslie says

This is an amazing book, I could hardly put it down. It really deserves a higher rating, but since that isn't possible, I can only say to give it a chance. I will be reading the rest of her books as soon as I can get my hands on them.

Sheena says

Ruth's story is one of my favorite Bible stories, and reading this book of Terri's, with so much detail has made it all the more dear.

Rachel says

Great; could be better organized but follows the Bible considerably well.

Megan says

Another winner by Terri Fivash, Boaz and Ruth are portrayed in the standard damsel in distress and knight in shining armor, I literally couldn't put it down.

Roxy Fox says

I love both Boaz and Ruth in this book. Great story, good world building and plot building. I have re read this several times.
