## **The Vampire's Kiss** Cynthia Eden

An ancient evil.

An unholy alliance.

An eternal love.

William Dark is a monster--a vampire who feeds on blood and fear. He is exactly what Savannah Daniels needs.

A year ago, Savannah's twin brother and his wife were brutally murdered. Savannah swore a vow of vengeance against the man, the beast, that killed them. A beast that is now after her. And the only way to stop him is to give up her human life. Can she convince William Dark, the most dangerous vampire on the East Coast, to transform her?

Savannah and William enter into an unholy alliance: he will change her and see that she receives her justice. In return, she must be his companion, his mate, for eternity.

But Savannah soon realizes that there is more at stake than just her life. Because once she tastes William's kiss, she knows that she may be in jeopardy of losing her heart as well.

Seduction has a dark power all its own. Should she trust a man who claims to have no soul?

**Leo (Queen of the Rants and the Crazy) says**

**3.5 stars.**

I'm going through the books from CE that I haven't read yet. I enjoyed this one. This is one of the oldies but still good.

~Celibate hero for years. (Nothing is really mention of the hero's past sexual life, only that he hasn't touched a woman in years.)

~Virgin heroine. It didn't bother me as long as the heroine doesn't become a mumbling wet mess.

~Safe.

~No OW drama.

I would love to see or read at least in one of this author's book that the couple has kids. I love me some babies in books, I know we always get HEA in her books but sometimes I need more. Maybe one day?

---

**Indira Adams says**

Gosh. I had to stop this read. I got to like page 20 and it was so boring. I can't explain it but it's missing something...that spark that a good book needs. I was debating whether I should continue reading it but after reading other reviews I realized that I better not. I'm just glad that's over...I'll go read something worth my time. I don't know what, but this book was missing something.

3.5 stars

I liked it a lot, really enjoyed the plot...was a bit slow in the middle, but the suspense was good (Cynthia Eden always does a great job with her Romantic Suspenses)

The ending had a bit of an unexpected turn, which was cool.

A short read, although it's a full-length book.

Savannah wants to become a vampire to avenge her twin brother's death. She blackmails a vampire named William to turn her, but he...refuses.

Meanwhile she's dying of a brain tumor and there's a PI who says that he was hired by a man whose brother was killed too. By the same vampire.

Can Savannah convince William to give her the "kiss" of immortality? And can they defeat the man who killed her brother?

---

### **Larissa says**

Imagine, yes, this young girl who had a sibling murdered by a vampire, and this same girl had spent almost a whole decade in a hospital fighting to survive — when there's not even a small light at the end, and a diary of a vampire to pass the time — one also holding the only answer she can find to what she's been through. Intense, right?

To get what she wants, however, she needs a vampire — and a very hot secretive vampire, for that matter—, and SURE, blackmail him into turning her. Ha! Smart move, yes? I'm wondering if I'm giving away the plot, completely... I have read this book three times in Portuguese, and once in English. And the last two paragraphs came by HEART. But the details are much blurry, and, indeed, you might enjoy the story.

The human turned vampire will have to learn how to grasp her new life, accepting a few straight facts, fighting for her murdered brother, fighting for the man/vampire she ended up giving her heart to... and, as much as a happy ending she deserves.

You might enjoy or not this story — depends on you.

### **Aqsa says**

LOVED IT. very BatB and Acomaf esque. even though its quite old, the story & dialogue were decent and the romance was sexyyyyyyy

i love me some dark vamps

---

### **Monty Cupcake ? Queen of Bloodshed ? says**

Usually I love Cynthia Eden's books, but sadly I nodded off while reading this one. It was missing the fun spark that's in her other books; no humor. And I wasn't a fan of the mythos for the vampires - their eyes glow

red, & the rest is the same as Christine Feehan's Carpathian series - shape shifting, turning to mist, telepathic, telekinetic, 3 bites + blood exchange to convert a person.

### **Jess the Romanceaholic says**

I'm reminded again why I adore Cynthia Eden.. I first discovered her as an author in the Everlasting Bad Boys anthology with her short story, Spellbound, and immediately fell in love with her writing style.

The Vampire's Kiss is no exception. It had the "fated mates" vibe without the absolute sense of unavoidable destiny, which was refreshing, and I loved the little twist as to why Savannah's mind was different than all the other humans that William had experience with. The romance was hot without being overwhelming to the story, and I really enjoyed the parts where William helped to teach Savannah all the new vampy things she needed to know after her transformation.

Even though I figured out the last twist in the book right when it was first presented, it was still a good one and IMHO definitely added to the HEA.

I was really hoping for a sequel for a certain character that really deserves a HEA, but from my understanding there hasn't been one nor is there one in the works. Boo hiss.

Strong characters, an action-driven plot that keeps you on your toes, and plenty of twists to keep your interest earned this one a solid 4 1/2 Stars.

### **Paula says**

Hace tiempo que no leía algo propiamente de vampiros y de hecho fue algo bueno, necesitaba este tipo de libro.

Este libro es ultra ligero, clichés pero bien manejados, predecible pero a mí todo esto me daba gracia, era justo el libro que necesitaba.

Es esa clase de libro que necesitas cuando no quieres involucrarte demasiado en alguna historia o en un mundo extenso, es demasiado ligero y la historia transcurre como en 1 semana.

Nos cuenta la historia de Savannah y de como ella busca a un vampiro para ser convertida y así poder vengar a su hermano, choca con el misterioso William Dark y él decide ayudarla solo si ella acepta ser su compañera el resto de su vida.

De hecho la historia suena interesante y si fuera más extensa podría llegar a ser increíble pero como dije todo esto sucede en 1 semana, no hay profundidad en esta historia, es sencilla, demasiado al grano y una que otra

escena de sexo.

La razón de mi 3 es porque me hizo pasar un buen rato, necesitaba algo así de ligero pero no absurdo aunque probablemente de haber sido en otra ocasión hubiera abandonado el libro o tendría un 1.5 de calificación.

*Así que si estas agotad@ de leer sagas, mundos extensos, que te apuñalen el corazón, necesitas un descanso y solo quieres leer algo ligero bueno este es tú libro*

*Llame al número en pantalla y si es de las primeras 50 llamadas recibirá sus propios colmillos de plástico*

*(Perdón, no lo pude evitar, en mi mente sonaba a infomercial, pero enserio es un libro ligero)*

## **Kirsten Brown says**

Savannah Daniels needs to die in order to execute vengeance against the monster that murdered her brother and his wife. Enter William Dark, a vampire who promises eternity and revenge in exchange for her company... for eternity.

For me, this is the quintessential Vampire Romance. It has everything that a good vampire novel should have.

After the wake of such Vampire pop culture as Buffy and Twilight, vampires tend to have a soul. They fill pages and pages feeling guilty about what they've done and they brood! - A lot! Which is fine.. for a while. Then you get a book like this with a character like William and it changes things. When I read this it was shortly after I had read Twilight, and William was my introduction to a more naughtier Vampire. Okay, sure at some point William is not happy to condemn her soul.. yadda, yadda.. But I am glad to see that about 4 paragraphs into it; he don't care!! To say the least it was refreshing for me.

This book also kicked off for me my true love for Paranormal Romance, so for this I am eternally grateful (get it!!) This was also the first Cynthia Eden book that I read and have been hooked ever since.

This book had the right mix of romance and action, and was very sweet, but hot at the same time, and I Loved it!!

I no longer fear the darkness.

-Entry from the diary of Savannah Daniels de Montfort,  
January 1, 2005.

**Ilze says**

Loved it!

---

**Lizzie says**

I was really into the story in the beginning and then the relationship between Savannah and William started to annoy me.
