Without a Trace

Patricia H. Rushford

Without a Trace Patricia H. Rushford

Book 5 in the Jennie McGrady Mystery series. A spine-tingling mystery in which Jennie and her family frantically search for Jennie's five-year-old brother, Nick. Nail-biting action with a sigh-of-relief ending!

Victoria says

well, there's a screw loose here! Didn't see that villain coming.

Leanne Haynes says

Another great Jennie McGrady mystery. I don't have much to add from my earlier reviews. Except to mention that Jennie does talk about her faith throughout the book, especially in the form of short prayers during her times of confusion or danger. These books would probably be great for Christian teenage girls who want a modern Nancy Drew as their lead character.

Erin W. says

This was not a very good book until you got to the climax. I thought it was really good at that point, which is why I rated it a 4.

Carol says

Very involved story! Had a hard time putting it down!

In the beginning of this story, Jennie McGrady has just arrived home from the airport. She went thru the house, thinking possibly they were trying to surprise her. She couldn't find anyone home, & she called for her mom & Nick, her brother. She eventually admonished herself for being spooked by an empty house at age 16! She had been disappointed that her mom hadn't picked her up as she returned from her Caribbean cruise with Gram & other members of her family (story in last book of series), but her Aunt Kate had come at her mom's request. She heard Michael, her mom's boyfriend, come in the back door. She would have preferred that dad come back home, but realized her father's statement that you can't have everything the way you want it was true. Her mom was with Michael, & their attitude said there was something wrong. Had something happened to Nick?

Nattie says

Very good! Suspenseful, reads more like an adult mystery. I couldn't give it five stars because there was just too much Jennie/Ryan love. Thrilling!

Kathryn says

March 2015 re-read, audiobook.
